Miss Granite City is student-vocalist

MISS GRANITE CITY, Melanie Rose Asadorian, center, a vivacious brunette with a vibrant soprano voice, poses with the runners-up after the Miss Granite City Pageant Friday evening. From left to right are: Miss Shelly Kaye Boyd, second runner-up; Miss Deborah Anne Presley, third runner-up; Mrs. Janice (Albers) Carmody, the 1971 title holder who crowned the winner; and Miss Karen Ann Koliste, first runner-up. The new Miss GC will compete July 21 in the Miss Illinois Pageant at Aurora.

An attractive brunette with dark brown eyes and a lovely soprano voice captured the 1975 Miss Granite City title Friday evening at Granite City High School South auditorium.

Miss Melanie Rose Asadorian, 19, daughter of Mr. and Mrs. Edward Asadorian, 2117 Grand Ave., was chosen to represent the community in the Miss Illinois Pageant, scheduled July 21 to July 26 in Aurora.

A music major at Southern Illinois University at Edwardsville, the title winner sang "I Feel Pretty" and "Tonight, Tonight" from "West Side Story" in the talent sequence of the contest.

The runners-up were Miss Karen Ann Koliste, daughter of Mr. and Mrs. Leonard W. Koliste, 1008 Alton Ave., Madison, first; Miss Shelly Kaye Boyd, daughter of Edward R. Boyd, 35 Villa Drive, and the late Mrs. Boyd; and Miss Deborah Anne

Man wounded critically

Pontoon Beach police are investigating the shooting early Saturday of Charles Ragan, 31, of 15 Lakeview Drive, Pontoon Beach, who was in critical condition today in the intensive care unit of St. Elizabeth Hospital.

At 4:39 a.m. Saturday, a telephone operator notified police that a man called from the Lakeview Drive address and said he had been shot.

Upon arriving at the home, Pontoon Beach police and Madison County Sheriff's Department deputies heard Ragan shout, "Kick the door in, I can't move," it was related. Authorities said they found Ragan on the living room floor

of the unlighted home with bullet wounds to his chest.

Ragan said he had been on the couch watching television when he heard what sounded like three shots. He then fell pain, he told authorities.

Ragan reported seeing two men leaving his home. He said he followed them outside, and observed them driving away in a white auto. He said that he then returned inside and telephoned the operator before collapsing on the floor.

Pontoon Beach police reported they had questioned one man and a woman in connection with the case but had made no arrests. They planned to question Ragan today if his condition permits.

One bullet injured Ragan's liver and another lodged in a lung, authorities said. Officers were unable to find evidence of a third shot.

Hagnauer re-elected

Nelson Hagnauer of Granite City was unanimously selected by the Madison County Board this morning to continue as the board's chairman. Hagnauer was unopposed for retaining the post.

Edward Voumard of Alton was named the board's vice-chairman, a post created at Hagnauer's request. Voumard defeated H. Jack Frandsen of Alhambra for the post.

The board met in special session today to seat new members, to reorganize and to pay bills of the Nov. 5 election. Among new board members seated was Dan Partney of Granite City, who succeeds Carl Buehler.

2½-inch snowfall in area

The Quad-City area's first substantial snowfall of the season covered the area with two and a half inches of snow during the weekend, but presented no major problems to motorists.

The snow, which switched from rain to snow Saturday evening and continued as snowfall throughout the night and through most of Sunday, was equivalent to .22 of an inch of rain.

Because of the heavy moisture content, the snow melted quickly on most streets and highways, but icy surfaces developed on some side streets.

Slippery spots and the wet pavements resulted in a large number of minor accidents.

Highways were clear, except for a few icy spots on bridges or overpasses, by this morning. Rainfall Friday, preceding Saturday night's snowfall, measured .15 of an inch, bringing November's total rainfall to 1.76 inches, or 79 of an inch below the November normal rainfall of 2.57 inches.

The National Weather Service predicted the snow will be cleared away Tuesday by a warming trend that is expected to send the temperatures into the 40s. Even warmer temperatures are predicted for Wednesday through Friday with highs in the upper 40s to mid-50s.

November's 1.78-inch rainfall brought the total precipitation this year to 24.78 inches, or 7.70 inches below the normal of 32.48 inches for the first 11 months of the year.

Treatment plant viewing platform

Granite City residents now have the opportunity to view the vastness of the city's secondary sewage treatment plant construction from a public viewing platform erected atop the sludge holding tank building. The platform is reached by a stairway, equipped with handrails, and is covered by a flat roof. Robert Jackson, manager of the Granite City sewage treatment plant, said the platform is about 22 feet above ground and offers an overall view of the large area in which the secondary facilities are being built. The platform was built after

City Council members, discussing the size of the new facilities, said they thought it would be appropriate if there was some way the public could see the project "to get an idea of where their money is going."

The plant will cost \$12 million when completed. Jackson said the platform will hold about ten persons at one time. Those wishing to see the new plant facilities may gain admittance to the Granite City Army Installation, on whose grounds the plant is being built, by informing the guard at the gate that they are there to visit the treatment plant, he said.

BEVY OF BEAUTIES faces the Miss Granite City Pageant judges in the swimsuit segment of the contest at Granite City High School South auditorium Friday evening. From left to right are Miss Shelly Kaye Boyd, Miss Deborah Anne Presley, Miss Ann Elizabeth

Langley, Miss Melanie Rose Asadorian, Miss Karen Ann Koliste, Miss Cathy Diane Faulkner, Miss Diane Marie Becherer and Miss Ginger Kay McClain. Five judges registered with the Miss Illinois and Miss Missouri pageants selected the local winner.

Abandon plan for 20th-State lights

Plans to install an electric traffic signal at 20th and State streets will be abandoned for the time being because of parking problems and other traffic difficulties that might result.

Decision to discard the proposal was reached at a meeting last week between city and state highway officials in the office of Mayor Paul Schuler.

Mayor Schuler said that state officials, including Robert Kronst, district engineer of the Department of Transportation, and John Kusior, planning engineer of the district office, agreed to hold up the traffic signal installation pending trial of a four-way stop at the intersection.

Installation of the electric signal at 20th and State streets was suggested by the state with the understanding that the DOT would pay all of the cost.

City officials held up agreement to the plan because of state highway department requirements in such cases that parking be prohibited for a distance of 300 feet from all four corners of the intersection.

After plans of the state offer were announced, a petition signed by the operators of approximately 20 businesses in the vicinity of 20th and State streets, objecting to the traffic signal and parking controls, was filed with the City Council.

The intersection now is a three-way stop, with traffic stopping on State street on both sides of 20th, and traffic bound northwesterly on 20th stopping

at State street. The four-way stop would be created by establishing a traffic stop for vehicles traveling southeasterly on 20th Street.

Mayor Schuler said it was agreed in last week's meeting to give this method a trial. Some engineers have maintained that the traffic stop for

southeasterly-bound traffic at State Street could cause a backup of vehicles to the intersection of Niedringhaus Avenue, Edison Avenue and 20th Street, a block away, where traffic now is controlled by an electric signal.

Schuler said the parking prohibition at 20th and State

Streets may be solved by removing several of the parking meters on each of the corners at the intersection.

State engineers had told city officials that an electric traffic signal was recommended at 20th and State Streets because of the high accident rate at the intersection.

Man flees from firemen

Authorities are seeking a youthful-looking man who attempted to fondle a Pontoon Beach woman after she had

given him a ride near the Gaslight Walk Apartments Wednesday.

She told police that a short

time after the man entered her auto, he pulled a knife from his pocket and placed it to her side, instructing her to "turn here near Grigsby Junior High School."

He returned the knife to his pocket when she refused to obey his command.

Near the intersection of Nameoki and Pontoon roads, he reached toward her. She stopped the car and sought assistance from two Granite City firemen. The man jumped from the auto and ran away.

The potential molester is described as being 5-9, thin, with long brown hair, piercing eyes, a dark complexion and a hooked nose.

Holiday drive to aid needy begins

By HARRY BARNES
Press-Record Staff Writer
Contributions to the annual Salvation Army "Tree of Lights" campaign to provide Christmas baskets for the needy reached \$615 today following a kickoff ceremony Saturday morning in which the Tree of Lights was turned on in Civic Park.

Salvation Army Capt. Ronald Kerley reported that a total of \$315 was contributed prior to the lighting of the tree, including \$115 raised by members of the Monday Night Kiwanis Club serving as bellringers Friday.

The total was brought to \$615 by members of the Moose Lodge

and auxiliary who rang bells at Saturday, resulting in donations of \$300.

Contributions as of Saturday morning resulted in the lighting of 12 lights on the tree in Civic Park during the ceremony Saturday. Among those taking part in the ceremony were Captain Kerley, Mrs. Fanny Epstein, Richard M. West, Steve Bristol, drive chairman; Virgil Singler, Archie Pulley, Alfred C. Stoeber and Venice Mayor William M. Ebersold.

The goal for this year's Tree of Lights campaign is \$16,500, a

License plate sales in area

Secretary of State Michael J. Howlett is reminding Illinois vehicle owners that over-the-counter passenger license sales officially began today.

Plates may be purchased at all Quad-City area banks, and on the first floor of the Centennial building in Springfield, plus at two drive-in windows at the new Motor Vehicle facility on Dirksen Parkway in Springfield.

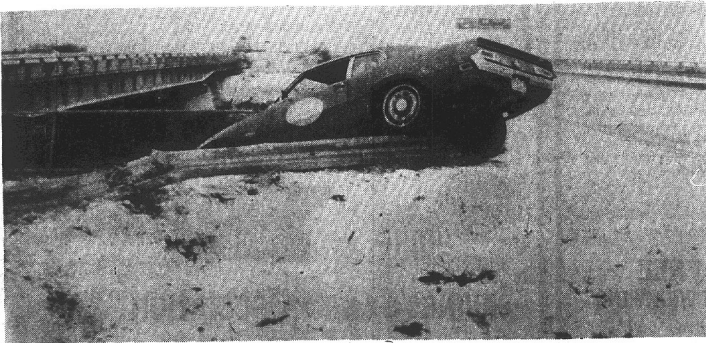

"We have extended facilities for Illinois residents to purchase license plates over the counter in a quick, convenient way," Howlett said.

Pre-printed renewal notices are required when purchasing 1975 plates over the counter. These forms were mailed last summer to all registered car owners.

The drive-in windows on Dirksen Parkway are equipped only to sell plates to applicants with correct pre-print forms. The windows have no facilities for title registration and will not accept blank applications.

SANTA'S ARRIVAL in the Quad-City area Friday was greeted by scores of children at each of his many stops. He is shown here greeting children at the Venice City Hall. Santa here offers candy to the children of Mrs. Terry Koelker of Venice, Sherris, far left, and Sara. Behind Santa is helper Lori Richardson and behind her are Mrs. Emily Farnbach and her nephew, Shawn Moran, both of Venice. Santa began residence in his cabin at Civic Park at Niedringhaus, Delmar and Edison avenues, after stopping at Quad-City shopping areas.

HAZARDOUS ROAD CONDITIONS prevailed in this area during the weekend, as the driver of this Security Corp. auto learned early Sunday morning. The vehicle struck guard railing at left near a Route 203 exit

of Interstate 270 and then bounced on top of the barrier after its driver lost control on the snow-slicked highway. The view is toward the west.

Diane Niebur marries George Louis Lafikes

Miss Diane Marie Niebur became the bride of George Louis Lafikes II on Friday evening in a candlelight setting at St. Elizabeth Catholic Church.

Burning white tapers in brass candelabra, festooned with white bows, illuminated the sanctuary. Arrangements of greenery adorned the altar for the double ring ceremony performed at 7 o'clock by the Rt. Rev. Msgr. Lawrence Mattingly.

Mrs. Vicki Simpson sang several nuptial selections preceding the ceremony.

Parents of the bride are Mr. and Mrs. Paul Niebur, 14 Miami Court. The groom is a son of Mrs. Joanna Lafikes, 2108 Jerome Ave., Godfrey, Ill., and the late Louis Lafikes.

Escorted to the altar by her father, the bride wore a long gown of white chiffon over tulle. A delicate lace bib, edged with a lace ruffle, accented the bodice.

The high stand-up collar and long tapered sleeves, terminating in lace ruffles at the wrist, were fashioned of matching Chantilly lace.

Pearl etched lace motifs enhanced the A-line skirt, encircled with a lace ruffle at the hemline, and the flowing train. Her flowers were white carnations, pink orchids and baby breath, trailing long satin streamers.

Mrs. Jo Marie Markel, matron of honor, and the bridesmaid, Miss Carol Loyet, a cousin of the bride, were gowned alike in pink crepe dresses.

Designed in renaissance style, their frocks were accented with Cluny lace on the bodice and sleeves. Each held a bouquet of pink and burgandy colored carnations.

The flower girls were Misty and Mindy Cooper and Beth Ann Crause, cousins of the groom. All wore frocks identical in style to the adult attendants' gowns.

Matthew Crause, the groom's cousin, was the ringbearer.

Serving as candlelighters were Miss Peggy Jaros and Mrs. Dorothy Runk. The groom chose his brother, Louis Lafikes, as best man. Thomas and Kevin Niebur, brothers of the bride, James Lafikes, the groom's uncle, and Tim Markel completed the corps of groomsmen and ushers.

Guests were received by the newly married couple at a reception in the Croatian Hall, Madison. Immediately following the service.

Mrs. Lafikes, mother of the groom, hosted a dinner following the church rehearsal for members of the wedding party.

The bride, a graduate of Southern Illinois University at Edwardsville, is a member of Phi Chi Theta Sorority. Presently, she is employed as a marketing research analyst at Olin Brass Co., East Alton.

A graduate of Lewis and Clark Community College, Godfrey, the groom is attending SIUE, where he is majoring in business administration. He is employed at the First Granite City National Bank and is a member of Delta Sigma Pi Fraternity.

They will reside in Granite City.

108 celebrate Thanksgiving at Madison dinner gathering

Turkey, dressing and all the trimmings were served to 108 members and invited guests of the Madison Senior Citizens at the Madison Recreation Center during the group's pre-Thanksgiving observance.

The tables were decorated in keeping with the Thanksgiving theme. A table was adorned with gifts and a three-tier wedding cake honoring a newlywed couple, Mr. and Mrs. Steve Kosick.

Arrangements for the surprise shower were made by

Mrs. Kosick, the former Mrs. Ann Teras, and her husband have both attended the Madison Senior Citizens group and taken an active part. Mrs. Kosick plays in the "kitchen band" and she and her husband are bell ringers in the club. The bells are used to present musical selections.

The remainder of the afternoon was spent as a social gathering.

Mrs. Sue Blatter and Mrs. Josephine Czervinski. Relatives were in attendance and viewed gifts opened by the two.

The Rev. Paul Davis, pastor of the First Baptist Church, offered prayer prior to the dinner hour.

Announcements were made by the president, Mrs. Dorothy Bridick, and engagements for the two musical groups were discussed. Mrs. Mildred Shifter is in charge of the kitchen band and Mrs. Dorothy Lionberger is leader of the bell ringers' band.

The remainder of the afternoon was spent as a social gathering.

Niedringhaus pupils perform

Two Thanksgiving plays entitled "A Thanksgiving Riddle" and "The History of Thanksgiving" were presented at Niedringhaus School last week by students under the direction of Mrs. Laurie Reiske, a sixth grade teacher.

Musical solos were given by Mary Pennell, flute; Elizabeth Wilkins, saxophone, and Mark McAmish, saxophone.

The program also was given on Friday.

Those participating in the holiday presentation were John Young, David Strubberg, Kim Watson, Tom Tracy, Mary Ponnell, Debbie Tillman, Susan Jeffries, Elizabeth Wilkins, Jane Geggus, Cindy Bunte, Jeff Ely, Sandy Lathrop, Andy

Fresh, fragrant Christmas trees

By WAYNE B. SIEFERT
Lawn and Garden Consultant

Experts can prove a fresh Christmas tree will not burn, but admit they cannot describe a "fresh and fragrant" tree on a sales lot.

Tests show that "fresh" trees will absorb water through the stumps. This steady flow of water to the twigs and needles helps prevent needle drop, maintains fragrance, and becomes the best fire retardant known.

Scientists have not found a fool-proof way of picking out a "fresh" tree on a sales lot. Feeling of the needles will tell you when the tree is dry and crispy. But plenty of trees that are not "dry and crispy" are too far gone to absorb water. Cutting your own tree is the best method of assuring freshness. However, if you buy a tree from a local sales lot, buy early! Delivery trucks usually haul directly from the plantation. Winter rains and snows help to keep the trees damp and fresh.

You can do a better job of keeping a tree "fresh and fragrant" by standing it in water at home than letting it dry out on a sales lot until a few days before Christmas.

Here are some rules for home care of Christmas trees. Promptly re-cut the stump of the tree to remove 1-2 inches of wood.

Stand the tree in a pail of water and store the tree in a garage or shed.

Use a Christmas tree stand that holds water for the tree. A 3-4 quart capacity stand is acceptable. A home-made stand of sand and water in a bucket will work in a pinch.

Avoid placing your tree near a furnace outlet or fireplace as the heat will cause the tree to dry out quickly.

Inmate furlough data to police

A method of identifying inmates on furlough through the Law Enforcement Agencies Data System (LEADS) went into effect Friday.

Director Allyn R. Siefert of the Illinois Department of Corrections commented that "the furlough information network became operational as a result of cooperation of Director Harvey L. Johnson of the Illinois Department of Law Enforcement."

"The names of inmates will be kept separate from the list of wanted criminals in the LEADS system and placed in a miscellaneous category," Siefert said.

"This new arrangement eliminates the main stumbling block in the system, guaranteeing the protection of the legal rights of furloughed inmates, while also ensuring the safety of the public by making this information available to all law enforcement agencies," he said.

Under the plan, the following information will be available 15 days in advance of each furlough through LEADS: the name, offense, length of sentence and Department of Corrections identification number, as well as the county from which the inmate was sentenced. The date and location of each furlough will also be listed.

Grant's extends credit services

Thomas Donahue, manager of the Grant Store at Nameoki Village Shopping Center, has announced that the store will honor credit purchases made to MasterCard, Charge or BankAmericard.

Donahue said, "This is one of the most important developments in our company's history. The Grant company has offered customers its own credit facility since 1946, but with more than 61 million American families holding bank cards, we feel that we cannot afford to overlook those customers who want to use the cards as a convenient method of shopping."

After extensive testing in the State of California, the company learned that even those customers holding Grant credit cards frequently prefer using their bank cards to avoid a multiplicity of bills. Of course, the vast majority of our customers find old fashioned cash-and-carry the fastest way to expedite purchases, but we'll be happy to provide applications for bank card credit to those customers desiring them," he said.

Banking industry sources note that Grants is the largest retailer ever to have installed bank card programs company-wide. All of the more than 1,150 Grant City and Grant stores from coast-to-coast will be accepting BankAmericard and MasterCard by this week, Donahue concluded.

Township has new—and old?—attorney

The question of who is the Nameoki Township attorney for town purposes remained unresolved this week after a confusing executive session of the Town Board of Auditors held last week.

Township Supervisor Louis Whitsell requested at the public town board meeting that the board have the audience leave and call an executive session to discuss personnel.

Illinois law allows such closed executive sessions for several specific topics, including hiring or firing personnel, but forbids official actions to be taken in closed sessions.

During the two-hour executive session, the board voted 3-2 either to request or to accept the resignation of Nick D. Vasileff as the town attorney, those present said. By the same margin, a motion to hire H. Carl Runge Jr. of Arlington Heights as the town attorney was approved.

Whitsell recalls the vote was to accept Vasileff's resignation and Auditor Norman Hessler agrees with Whitsell's memory. Town Clerk Douglas Teeter says his minutes reflect the board voting to request the resignation and Auditor W. Lee Adams says he also recalls the vote as being only to request the resignation.

Adams told the board, "He has not submitted his resignation; you've still got two lawyers," he disclosed.

Whitsell contends Vasileff left the closed session before the vote, allegedly saying the board could have his resignation if it wanted it.

Vasileff, contacted Tuesday, said he had "no comment."

Opinions on student smoking ban sought

The Citizens' Advisory Council for the Granite City School District recently reviewed the senior high school smoking policy at the request of the Board of Education.

The council concluded that the existing policy "is not enforceable under current situations."

Therefore, it was recommended that "changes be made by the administration to effect a workable policy that remains in compliance with state laws."

The administration must further have the responsibility for setting down rules and regulations for the implementation of the new policy once it is established, the council concluded.

More specific recommendations for changing the smoking policy will be made to the Board of Education by the Citizens' Advisory Council after input has been received from other sources, a spokesman said.

The Citizens' Advisory Council consists of representatives from various community organizations, Board of Education members, and selected professional staff members of Community Unit District Nine.

Its function is to establish long range system goals and to provide input which will help make the educational system meet the needs of the community which it serves, the spokesman explained.

Granite City residents can assist the Citizens' Advisory Council in formulating its recommendations by conveying their thoughts on this matter by letter," he said. Replies may be addressed to Citizens' Advisory Council, Granite City Community Unit District 9, Board of

Education Office, 20th & Adams streets, Granite City. The council has stipulated, however, that only letters which are signed will be considered. Letters also should specify whether the response is from a parent, student, teacher, or interested citizen. All replies will remain confidential, the spokesman said.

Youths injured in disturbance

Two youths were injured during a disturbance last week at Tri-Mor Bowl, 3701 Nameoki Road.

Tom Micherson, 16, of 2130 Grand Ave., was admitted to St. Elizabeth Hospital with injuries to his face and head suffered when he allegedly was beaten. Tony Lynn Goodman, 23, of 1257a Niedringhaus Ave., was treated for cuts to his right hand after a glass shattered in it during the disturbance.

Goodman was charged with aggravated battery and disorderly conduct. Police also arrested a juvenile boy and charged him with criminal damage to property, disorderly conduct and fighting after the boy allegedly struck the windshield of the parked auto of Kevin Wiehardt, 2532 E. 27th St., in the bowling alley parking lot moments after the disturbance.

Police said Wiehardt was not involved in the disturbance.

North cagers open by topping Springfield, Okawville teams

Granite City High School North opened its cage season this weekend with a pair of victories, 67-57 Friday at Springfield Griffin and 56-41 Saturday at home over Okawville.

The North Steelers made good use of 55 field goals and 15 of 27 from the foul line to lead Springfield 16-6, 36-25 and 52-37 at the quarters.

Mike Waldo, 6-4½ senior, led North's winning effort with eight goals from the field and 10 shots from the foul line for a total of 26 points.

Greg Gauen, 6-2½ senior, put

the ball through the basket seven times for 14 points and Larry Jones, 6-6 senior, earned 13 points on six field goals and one free shot.

Rounding out the scoring were Tom Schocker with seven points, Gene Logas four, and Rick Spurlock, 6-10 junior, three points.

North had a tougher time in downing the Okawville Rockets here.

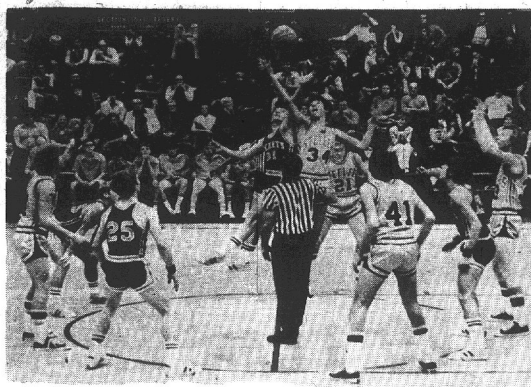

Remembering last season's defeat at the hands of the visitors, Steeler Coach Bill Ohlendorf executed a defense that stopped the Rockets' down-

the-middle dribble and quick out-passing which proved fatal to North before.

Offensively, three players who maneuvered well under the net scored 39 points between them: Gauen 16, Spurlock 12 and Jones, 11.

Tallying points also were Logas and Schocker, six apiece, and Waldo, five.

The Steelers made good on 25 shots from the field to the Rockets' 20, and popped in six of 12 free throws to Okawville's one of seven, for quarter leads of 21-14, 35-30 and 40-38 preceding the fourth periods 16-3 North spurge.

Mascoutah prevails over South, 49-30

The basketball Warriors of GCHS South lost their second contest within a week, bowing 49-30 at Mascoutah Saturday to the defending Mississippi Valley Conference champions.

South earlier last week lost to Madison, 64-56.

South demonstrated balanced scoring as eight different players earned points. But the Warriors failed to overcome the experienced Indians.

Junior Steve Lanter tallied 24 points for Mascoutah. The host school led at every quarter, 11-6, 27-18 and 35-22, of the low-

scoring contest.

Bob Hutchings, 6-2 senior, tallied nine South points on three field goals and three free throws; Ken Bertrand, 6-6 senior, had four field goals for eight.

Though Dave Naglich, 6-3 senior, scored only two points, he pulled down 12 of South's total of 30 rebound recoveries.

Scoring also for the Warriors were Jim Nolen with four points; two points each by Kirk Champion, Dan Lawrence and Frank Holmes; and one by Rick Fancher.

Tourney to decide 'Y' soccer champs

The Tri-City Area YMCA, 2601 Edison Ave., will conduct a 28-team soccer tournament Saturday and Sunday to determine 1974 champions of the fall soccer program.

In past years, area teams which participated in the program here entered a regional tournament to compete with teams from other cities for a regional title.

The local YMCA decided against competing this year in regional competition due to the drastic rule change made by the sanctioning association which would pit small age groups against older youths.

Scheduled to compete this weekend at the Steele and St. Elizabeth fields (with season records indicated) are:

Pee Wee (6-7 year-olds) — Barnett Pest Control 15-0, Pelek Realty 11-3-1, Hall Exterminating-Mercer 6-3-7, Granite City Police 4-2-9, St. John's United Church 4-0-11 and Wood River Astros 3-2-10

Junior Atom (8-year-olds) — Wood River Stars 11-2-2, St. Elizabeth Blues 11-1-3, Elks 10-1-4, Rozschi Realty 6-2-7

Senior Atom (9-year-olds) — Burger Chef 4-5-3, Frank's Clark 4-3-5

Junior Bantam (10-year-olds) — Granite City Merchants 12-0; St. Elizabeth 8-1-3, St. Margaret Mary 5-4-3, Mitchell Athletic Club 6-1-5, Climastron Electric 4-2-4, Wood River Comets 2-2-8

Senior Bantam (11-year-olds) — GC Steel Credit Union 11-0-1, St. Margaret Mary 10-0-2, Veterans of Foreign Wars Post 5-1-4

Senior Midget (13-year-olds) — Amco Plumbing 11-0-2, St. Elizabeth Stars 10-0-3 and VFW Post 3-0-8

George Sykes, president of the "Y" Soccer Association has announced that the "Y" soccer award night will be held Tuesday, Dec. 3. The 7:30 p.m. event will be held at the Granite City High School South auditorium.

Forty-four teams have been playing in 16 divisions in league play this fall.

The first, second and third place teams for the season will be awarded team trophies. For the first-place team in each division, individual trophies will be awarded.

Gene Baker, soccer coach at GCHS South, and Robert Kenoe, soccer coach at GCHS North, will be the featured speakers. They also will assist in making the award presentations.

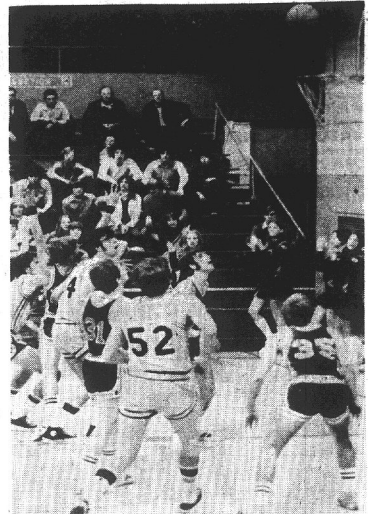

The public is invited, at no charge.

Winning teams will sit together in front of the auditorium stage to be able to move onto the stage to receive their awards. Parents and friends will sit in the upper auditorium area and in the balcony.

Sykes said, "We have had a good season; competition has been in most divisions. It is fitting that we recognize the teams that have performed so well."

The committee which planned the event consists of Arthur Menendez, chairman, and Pat Robertson and Harold Rudolph.

Six GC hunters bag six deer

Six Granite Cityans have returned from a hunting trip to Southern Illinois where each of them bagged his deer. The group brought back two bucks and four does.

The group included Frank Leary and his three grandsons, Mike Finch and Jim and Dave Maxfield, who were making their first deer hunting trip, and Larry Maxfield and Clarence Norman.

The six deer were shot during the first day and a half of a three-day trip to an area near Marion.

Bags first deer

Stanley Macios, 3105 Fehling Road, bagged his first deer, a four-point buck, while on a hunting trip near Ellis Prairie, Mo., last week. Macios reported the deer weighed 110 pounds when field-dressed.

BALLET-LIKE STEPS by the St. Louis University Billiken's Tim Conway (left) and Steve Cacciatore of SIUE as they battle for the ball during Friday's Midwest regional championship soccer game. John Stremelau scored the lone Cougar goal in the 2-1 loss. Three overtimes were required to decide the game.

Steeler wrestlers dominate Pioneers

Granite City High School North matmen travel across the river at 7:30 p.m. today for a dual meet with Hazelwood Central, fresh from a 53-6 victory Saturday over East St. Louis Assumption.

The Steelers showed their power here in defeating Assumption by sweeping all weight classes except 185 pounds, which the Pioneers won by forfeit.

Posting wins for North by weight class (pins indicated by time) were: 96 pounds, Keith Whelan 5:16; 105, Matt McCullough 1:38; 112, Neal Pierson 12-5, decision; 119, Eric Schmisser 5:28; 126, Jim Starling 8-0; Chuck Taylor 97 seconds; 138, Dave Harrison 5 minutes; 145, Dave Whitsett 23-6; 155, Rick Morien 21-0; 167, Mark Widel 6-0; and heavyweight, Jim Barker 5-51.

Trojans win, lose in Kahok tourney

Madison High School's basketball Trojans are 2-1 on the season after splitting a pair of games this weekend in the annual Kahok tournament. MHS defeated Quincy Catholic Boys 58-45 Friday and lost 71-56 to the host Kahoks Saturday. Rudy Bradley, 6-1 senior, headed Madison's attack against Quincy with 21 points including 100 per cent accuracy from the foul line on 11 shots. Madison won the game on free throws, as both schools connected with 20 goals from the field.

Scoring also for the Trojans were: Leroy Booker, 6-1 senior, 15 points, and Ron Jones 10, Mike Williams eight, and Darryl Franklin and Curtis Bradley, two apiece.

Madison led at the quarters 18-13, 32-21 and 40-31. Saturday afternoon's contest with Collinsville was a different story, as Madison was met with an onslaught of double-scoring by the Kahoks: Gary Shasteen 24, Marc Richter 17, Mark Fernandez 14 and Mike Birch, 12.

Led by 17 points by Rudy Bradley

and 15 by Jones, Madison jumped to an 18-17 first-period lead and trailed by five, 36-31 at halftime. "We didn't work the ball inside to our big boys," recalls Madison's Larry Graham, "and Collinsville nearly stopped us cold with double defensive coverage on Rudy Bradley."

The Kahoks were ahead 54-39 after the third quarter and added 17 more points in the final period.

Williams tallied eight points for Madison, Curtis Bradley six, Booker and Emmet Timmons four each and Randall Jones, two.

Curtis Bradley hit nine field goals and three of four foul shots to lead the jayvee squad's losing effort in an 84-48 game against Collinsville's jayvee team Saturday evening.

Collinsville then defeated Quincy 58-41 in a varsity tilt.

The Trojan varsity is on the road tomorrow for an 8 p.m. game at Pacific, Mo. Madison, as Madison was met with an onslaught of double-scoring by the Kahoks: Gary Shasteen 24, Marc Richter 17, Mark Fernandez 14 and Mike Birch, 12.

Defense-conscious Devils win, 78-52

Continuing its mastery over Columbia in season openers, the Venice High School basketball Red Devils garnered a 78-52 verdict in a road game Friday night.

Stepping in for the graduated Ron Henry, brother Mike Henry chalked up 19 points, followed by Jeff Corrie 14, Reggie Gardner also 14, Mike Logan 10, James Turner nine, Al Jones Crawford eight and James Crowder four points.

Todd Stumpf was high scorer for the game, caging 24 points

for the Eagles, but none of his teammates could achieve double-digit scoring.

Using defensive, pressing tactics successfully, the Red Devils gained a 15-4 lead in the initial quarter and built onto it gradually, leading 33-25 at halftime and 51-37 after the third period before romping to a 78-52 point advantage during the busy final quarter.

Venice trailed in free throws made, 10-6, but dominated scoring from the field, 36 goals to 21.

Cougars check Czechs

A "nice-sized crowd," considering the snowstorm outside of the Edwardsville High School gym, was impressed by the debut of the Southern Illinois University at Edwardsville varsity basketball team Saturday night.

Coach Jim Dudley's cagers, displaying plenty of cool for this early in the season, romped past a strong touring Czechoslovakian National (Olympic) team 64-56, the same score that the University of Illinois had gained against the Czechs the night before at Urbana.

The loss dropped the Czechs

to 6-11 on their tour. Dandies' debut and won't count on the Cougar record.

Mitchell sign-ups

The Mitchell Athletic Club has extended its 1974 basketball season registration for boys in grades three through 12.

Registration will be conducted from 8 p.m. to 10 p.m. tomorrow at the Mitchell School gym. A \$4 fee is required. Additional information can be obtained from Myron Merz at 931-1218.

South fall award banquet tonight

Granite City High School South will honor its fall sports teams — soccer, football, golf and cross-country — at a sports awards banquet, beginning with a dinner at 6 p.m. today in the school's cafeteria. The awards presentation in the high school gymnasium will follow at 7:30 p.m.

Roger Smith, athletic coordinator at South, reports that the general public is invited to attend the award ceremonies. Tickets for the dinner may be purchased at the door for \$2.25 per person.

7-5 loss on ice

Granite City's Jeff Hillman scored two of his team's five goals at the Wilson Park Ice rink Friday but Granite City lost 7-5 to Wood River in Madison-St. Clair High School Ice Hockey competition. An earlier contest saw Edwardsville down Collinsville 12-3. Edwardsville's Bob Hamm set a new association record when he tallied seven goals during the game.

Sheriff, treasurer, clerk and 4 judges are sworn in today

By **WALTER STRANGE**
Press-Record Staff Writer

Madison County Courthouse Three in Edwardsville at 9 a.m. today had a standing-room-only crowd as the new judges, Judge Fred P. Schuman of the Third Circuit of Illinois swore in newly-elected county officials and four circuit judges.

The county officials, sworn in first and all Democrats, were: George Musso re-elected to the office of treasurer of Madison County; John Maras, re-elected as Madison County sheriff, and Miss Evelyn Bowles, elected for a first term to the office of Madison County clerk. Each official after taking the oath of office introduced family

members present and voiced thanks to the gathering or support given in the Nov. 5 election.

Joining their oath as circuit judges were: William L. Beatty, John Gitchoff, Victor J. Mosele and Moses W. Harrison II.

They were sworn in by Judge Fred P. Schuman of the circuit bench for a second six-year term, running on a non-partisan basis. He was elected to the bench as a Democrat in November of 1968.

Judges Gitchoff, Mosele and Harrison were all appointed to the bench to fill vacancies and ran for the first time on the Democratic ticket, gaining initial elective terms.

Walter Gorden dies at 75

Walter Lee Gorden, 75, of 2100 Pontoon Road, a retired employee of the Illinois Terminal Railroad, died at St. Elizabeth Hospital at 9:30 a.m. today. He was admitted at the hospital four hours earlier.

Born in Carlinville, Mr. Gorden resided in Edwardsville 55 years and in Granite City for the past 20 years.

He worked as a brakeman for 33 years with the railroad prior

4 sentenced

Four Quad-City area men who pleaded guilty to participating in the thefts or distribution of stolen goods taken from railroad cars in the Madison yards were sentenced by U.S. District Judge Harlington Wood Jr. in federal court at Alton Wednesday.

Carl Adams, 4611 Venice St., Granite City, was sentenced to three years in federal prison for his part in the thefts, and Gary L. Railwater, of 2410 Wilson Lane, a former Terminal Railroad Association trainman, was sentenced to two and one-half years in prison.

Judge Wood stayed the beginning of both sentences until Jan. 6 so the two men could remain with their families during the holiday season.

Also sentenced was Joseph Bevilacqua, 2202 S. 2nd St., who was sentenced to four months in prison or jail and five years probation.

Larry Burns, 5640 Lakeview Drive, Pontoon Beach, was released on three years probation as "one of the least involved in the case," according to Assistant U.S. Attorney Max Goodwin.

Rites held for Willie Palm, 46

Funeral services were conducted at 7:30 p.m. Sunday at Mount Nebo Baptist Church, 800 Jefferson St., Madison, for Willie Palm, 46, of 1216 Douglas St., Venice, who was fatally injured when a crane boom he was dismantling fell on him at 8:35 a.m. Wednesday.

He was a crane operator for the Illinois Terminal Railroad. The accident took place along St. Thomas Road just north of West Chain of Rocks Road.

Burial was in Sunset Gardens of Home Cemetery, Centerville Township.

Swimmers raise funds for Y

Thirty swimmers completed 236 lengths of the YMCA swimming pool Friday and Saturday to raise more than \$1,000 for the Y's programs.

The swimmers were participating in the third annual Swim-Y-Thon to raise funds for YMCA members' programs and to support the local "Y" aquatic program, to assist YMCA world programs in 20 countries and to support Indian YMCA's and Indian programs in the Dakotas.

The swimmers enlisted sponsors who agreed to pay a specified amount for each length of the pool completed. Although all sponsors' checks had not been turned in today, \$1,168 already had been raised from 236 sponsors. Sponsors said the money will be a big shot in the arm to help the YMCA get through the end of the year financial slump."

News notes

A Legislative Audit Commission report last week on the Illinois secretary of state's office said trucks operating illegally are taking advantage of the absence of state license investigators during nights and weekends. A spokesman for the office has promised greater flexibility in scheduling of future shifts for the investigators.

Norman Iman, Alton High School head football coach, announced Wednesday his resignation as coach. He voiced disappointment in the team's three-year record of seven wins, 21 losses and a tie.

President Gerald Ford last week vetoed an inflationary bill to boost veterans' benefits by 22 per cent. He acknowledged that the veto seems sure to be overridden by Congress this week. Mr. Ford urged an 18 per cent increase.

The U.S. House Judiciary Committee by a voice vote Wednesday endorsed a bill to permit state lottery authorities to use the mails to promote and sell tickets within their own states. It would permit newspapers to include state lottery data in their editions destined for mailing.

A pilot Illinois project for paper recycling has been dropped because the market for waste paper has evaporated. With less construction occurring, the demand for waste paper to aid in making roof tiles, wallpaper and wallboard has decreased, Illinois environmental authorities report.

Gasoline prices continue to edge downward in the S. reaching an average of 53.4 cents per gallon for regular and 57.3 cents for premium.

Seventeen Republican governors and governors elect are in St. Louis for their annual conference.

Several Cabinet changes are expected to be made soon by President Gerald Ford.

An airliner crash fall to 92 in Virginia Sunday occurred near a top-secret government installation that is intended to serve as headquarters for the highest U.S. officials in the event of a disaster in Washington.

The Southwestern Illinois Council of Mayors on Wednesday night decided to participate in a non-profit group seeking construction of a new

lock and dam facility two miles south of the present Alton dam. Retired Army Col. Guy Jester said the replacement is essential for river navigation, and that the ten-year project would require 1,200 to 1,500 construction workers. Railroads, the Sierra Club and the Izaak Walton League have delayed the project with a lawsuit. In other action, the mayors proposed Alton Mayor Curtis Miller and Swansea Mayor Donald Melhorn for appointment to the Bi-State Development Agency board.

Sen. Adlai E. Stevenson III of Illinois and 38 other senators have called on Federal Trade Commission Chairman Lewis Engman to investigate sugar price increases.

For the third year in a row, the Salvation Army and Kentucky Fried Chicken restaurants in this region are cooperating, starting yesterday, in a program to collect and distribute canned goods for the needy. These bringing in one or more cans of food through Dec. 21 will receive a 1¢ of the regular price a bucket or barrel of chicken.

Illinois has just issued a not-for-profit electric corporation charter to the Missouri-Illinois Metropolitan Port Association, 2801 Rock Road, Granite City. The Tri-City Regional Port District at that address is one of the member districts. The charter was obtained by Tri-City Port Manager Carl Rant and by Stanley Reebell and Darryl R. Talley.

Sam Wolf, Granite City realtor selected in balloting by Democratic voters earlier this year will be among the delegates at the national party's mini-convention this weekend in Kansas City. Wolf, secretary of the Madison County Democratic party, expects a charter to be adopted but is uncertain whether a method exists for bringing in one or more delegates to reach the 1976 convention floor. Also participating in the Kansas City conclave will be retiring State Rep. Leland Kennedy of Alton.

Development head convinced that area's economic outlook, on balance, is bright

The outlook for future economic development is bright, Richard H. Dykes, executive director of Illinois Metro East continues to stress.

Pointing to current pessimism on many fronts, Dykes told a late-November planning conference in St. Louis that he takes an opposing viewpoint.

"Economic development by nature means change. Development has never been a static business."

"We are now experiencing and have always experienced change. The only thing which actually varies is the nature of this change."

"Business is not going to die. There will be an increasing

demand for new homes and commercial operations."

"Industry will continue to experience a demand for new facilities and for expanding production capabilities of existing operations."

Dykes spoke on a panel during a Mid-West Mid-Decade conference sponsored by the Illinois and Missouri chapters of the American Institute of Planners, held at Stouffer's Riverfront Inn.

Illinois Metro East is a non-profit area development corporation devoted to Southwestern Illinois, industrial and business growth.

The executive director said his optimism is tempered with concern for a need for greater coordination between economic, energy and environmental programs.

Termining such coordination essential, he said much action to date has "been too narrow and confined. The problems have been viewed as single issues. We need to change this thinking."

Illinois Metro East has been seeking to capitalize on the assets of this area, generating interest in the region's development and also providing assistance for firms interested

in locating in the region.

The organization works in close association with chambers of commerce, governmental agencies and communities throughout the area.

Dykes said. The organization's immediate goals are to intensify efforts to encourage development of high quality industrial sites, including those which have potential for well-planned industrial or business parks within the three-county area; emphasize improvement in the area's labor relations climate; and provide information about this area's existing assets.

Nameoki town hall expansion delayed; bids over estimate

Bids for remodeling and adding an extension to the Nameoki Town Hall were tabled by the Town Board of Auditors last week as being too far over the architect's estimate.

Two bids were opened for the project. Ed Moore Construction Co. was low bidder at \$49,916 and Henry Ross Construction Co. bid \$58,985.

The architect had estimated the project should be completed for \$30,000 to \$35,000. The board referred the issue to the architect to determine reasons for the difference between the bids and the estimate. The architect will attempt to bring future bids more in line with estimates.

The architect also is to make revisions in the plans to reduce the overall cost. Board members indicated they would prefer to advertise for new bids after the plans are revised.

The board discussed bids opened Nov. 11 on a proposed concrete sewer drainage system for Parkway Estates and withheld action, pending discussions with the low bidder.

The original plans submitted for bids called for a basic system to direct water east from the subdivision to the Alton and Southern Railroad tracks, plus an additional system to bring water from land north of the subdivision into the main swail.

The owner of the land north of the subdivision at that time had indicated he may be willing to help finance the system, in order to drain his land, which often is covered with standing water. The owner since has indicated he does not wish to participate in the program.

The bids called for contractors giving a price for both the basic system and the north-south system. Also requested was a price per-foot the bid could be reduced, if the north-south swail should be eliminated.

C. H. Sternberg & Co. was low bidder at \$68,079 for the nine-foot wide concrete swail system the architect said was needed,

plus the north-south ditch. C. D. Peters Construction Co. was the only other bidder at \$69,370 for the nine-foot wide swail and extra system.

The board agreed to meet with Sternberg to determine a precise cost if the north-south system is eliminated.

The actual start of construction is contingent upon settlement of a lawsuit which is to be heard in Madison County Circuit Court Jan. 5.

Farmers residing east of the Alton and Southern Railroad tracks filed the suit, contending the township may not legally release water under the tracks and onto their property.

The township contends the farmland is on a natural watershed and that it does have the right to increase the water flow across the land.

The board also discussed a proposed drainage system for the Barnhart subdivision northwest of Maryville School. Board members in that area have indicated they would prefer an underground drainage line, rather than a surface swail

system. At last week's meeting, the engineer said he felt the surface system would be superior because the inadequate water flow and lack of angle could cause an underground system to clog frequently.

The board agreed to meet as a body with the homeowners in the near future to discuss problems with an underground system and attempt to reach resolution on what type of system should be installed.

Highway Commissioner Albert Bell suggested the township request George Arnold, developer of Northland Estates No. 5, to construct a fence around a holding pond being constructed in connection with lift stations for that subdivision.

Township Supervisor Louis Whitsell commented that since the highway department is to assume control of the lift stations, when completed, Bell has the authority to request a fence be erected before he assumes ownership of the lift stations.

Students entertain Rotarians

A program of Thanksgiving songs was presented to the regular meeting of the Madison Rotary Club Wednesday noon by third-grade students of Harris School under direction of Mrs. Lois Brazil, teacher of the class, and Mrs. Valerie Stevens, music instructor.

Vocal solos and a piano solo also were presented by students of Madison High School.

Third grade students who took part in the program included Cynthia Smith, Gayla Stone, Amanda Burns, Cynthia Rader, Delores Smith, Tina Gaskie, Lisa Wilson, Tammy LaBruyere, Wesley Taylor, Gary Masterson, Kevin Dickerson, Robert Cooney, Leroy Latham, James Webb, Brian Reinhart, Clarence Casteel, John Nelson, Jimmy Chandler, Antoine Shipp.

George Lott and Carlos Maple. The piano solo was presented by Vivian Chandler and vocal solos were given by Donna Murray, Donna Allison and Olivia Erwin, all of Madison High School.

Wayne Scannell reported on the club's dance held at Croatian Hall and John Blasingame, club president, announced that a slate of officers will be presented by the nominating committee in this week's meeting at the Madison Recreation Center. Officers will be elected in the Dec. 11 meeting, he said.

Dr. George Wilkins will be a guest of the club at its Dec. 11 meeting. Blasingame announced.

Public aid trend seen as forcing a state tax hike

By KEN WATSON

Press-Record

Springfield Bureau

It's going to be a whole new ball game in January as far as the Illinois legislature is concerned.

The current "lame duck" session may be the last for "politics as usual" for a while.

Oh sure, there will be plenty of politics at the 79th Illinois General Assembly which convenes in January. But it will be of a different, grimmer type.

The hard, blunt facts of

economics are at least coming home to Illinois and its state government. Some painful decisions are going to have to be made.

Boiled down to simple terms, there are only two alternatives—raise taxes or drastically reduce state services.

No amount of rhetoric by Democratic Gov. Dan Walker or his Republican legislative opposition can deter this reckoning.

Beneath the Statehouse Dome

there is a quiet consensus that the first alternative will prevail and that taxes will be raised. Whether it will be the sales tax or the income tax—the basic suppliers of state revenue—or a combination of the two makes little difference.

The economic facts of life being what they are, the people of Illinois will not tolerate any reduction of state services and, this being the case, there is no alternative to a tax increase.

Illinois, like other major states, finds itself almost back in a situation it faced in 1933 during the Great Depression.

Extraordinary measures were needed to meet the more serious collapse of the economy then and Democrat Henry Horner, one of Illinois' finest governors, met the challenge by persevering to win enactment of the sales tax.

It is viewed now as a courageous and unpopular move which saved the state from bankruptcy.

But like Republican Gov. Richard B. Ogilvie's income tax, it was unpopular and almost cost Horner a second term.

In contrast to Ogilvie's situation, the people recognized the seriousness of the situation and soon came to accept the sales tax as a necessary burden.

Ogilvie lost his try for a second term. Politically ambitious Gov. Walker, even at this late date, continues to orate about

reducing spending and cutting taxes. But even some of his own fiscal experts disagree.

Two of the most respected experts in state financial affairs, Walker's budget director, Hal Hovey, and State Comptroller George Lindberg, a Republican, recognize that Illinois is moving into a period of intense financial crisis.

The bleak fact is that Illinois, currently operating under a budget of about \$6 billion a year, has reached the limit of its financial resources.

A sharp rise in relief costs, now running well over \$1 billion a year, is about to blow the lid off.

Largely because of its diversified economy, Illinois has maintained a level of unemployment far lower than that of most major states.

The highly industrialized

Chicago area has long maintained the lowest unemployment rate of any comparable complex in the nation. Downstate also has fared well. But all this is now changing rapidly.

Layoffs in the automotive and steel industries are beginning to hit Chicago and nearby cities like Belvidere and Rockford.

A decline in farm implement sales is beginning to increase unemployment in the area of Rock Island and Moline.

The coal miners' strike caused serious economic repercussions in some parts of Southern Illinois.

Illinois farmers are in trouble, many struggling to survive.

Almost every economic prediction is that the situation is going to worsen, at least through the middle of the year. There have been unofficial

predictions in business circles that unemployment in Illinois will soon reach 250,000. That would mean a tremendous new drain on unemployment and welfare funds.

In 1975, the recent major legislative issues like what to do about mass transportation in Chicago and campaign contribution disclosure bills are going to be minor issues.

The bread and butter issues of the family bank account and food on the table are going to take over.

The people of Illinois will not tolerate political frivolity of the kind seen at recent legislative sessions.

Big pressure will be on Gov. Walker and his Democrats, who now have firm control of both the Illinois House and Senate.

Will Dan Walker measure up to the stature of Henry Horner? We may soon see.

Youth charged in Venice case

Randy A. Nickey, 18, of St. Louis was released on \$7,500 bond last week after he was charged with armed robbery of the Corner Tavern, Fourth Street and Broadway, Venice, on Sunday, Nov. 17.

Nickey was arrested by St. Louis police on a Venice warrant.

Two others, Joseph Tatham, 17, and Dale Dawson, both of St. Louis, also have been named in warrants.

The three allegedly took \$296 from the tavern bartender, James Schodrecki.

Need slight for car emission devices

Nearly 90 per cent of the country does not need emission control devices on new cars, C. E. Blankenship told the Granite City Optimist Club during a regular meeting.

Blankenship, safety director of the A. O. Smith Corp. plant here, also is chairman of the Chamber of Commerce Legislative Action Committee.

Bicentennial grants for state projects

Samuel A. Lilly, executive director of the Illinois Bicentennial Commission, has announced the availability of \$400,000 in state and federal funds to support Bicentennial projects within the state.

State or local government agencies or non-profit IRS tax exempt organizations with Bicentennial projects are eligible to apply for a matching grant.

Grants are made available through appropriations from the Illinois General Assembly, the U. S. Congress, and Illinois' share of proceeds from 1973 American Revolution Bicentennial Administration medallions.

Dr. Lilly noted that award judgments are based on a number of criteria. Special emphases include residual value of the project's contribution, appropriateness to the Bicentennial and its three themes: heritage, festivals and horizons, support and involvement of the community, originality and impact on stimulating further activity, and special features pertaining to youth, minority and ethnic participation.

The average allotment for last year's grants was \$2,100 ranging from \$500 to \$4,500.

Requests for program criteria forms with explanatory guidelines should be directed to any IBC regional coordinator or the Illinois Bicentennial Commission, 410 N. Michigan Ave., Suite 1044, Chicago, Ill., 60611.

He was the guest of Optimist Dale Arnette.

He noted that the Clean Air Act of 1970 will cost taxpayers \$10 billion a year for the next 10 years.

"If the standards set forth in the act are not changed, 1976 model cars will cost \$1,000 more because of anti-pollution control devices required and 90 per cent of the country does not need them," Blankenship said.

"In 1971, the government was taking \$3.75 out of every \$10 earned; in 1973 it was \$4 out of every \$10 earned and, if taxes continue growing at their current rate, by 1981 over one half, 50 cents of every \$1 we earn, will go for taxes. I think everyone needs to become concerned about taxes and how the federal money is spent," Blankenship said.

He said that from 1971 to 1973 the national income increased 22 per cent while federal government receipts increased by 34 per cent.

"As inflation increases the federal government is taking more and more," the speaker noted.

In commenting on other legislation, he said anti-trust laws are getting tighter and enforcement stronger. Under anti-trust legislation, fines for corporations could be \$1 million, and up to \$100,000 on individuals.

Legislation on deep water ports now is in committee as the question over state or federal control is discussed. The said Cargo preference legislation has passed the house and is in the Senate. It provides 20 per cent of all U. S. oil imports must be carried on United States tankers. In 1977 it will be 30 per cent. This will cause higher prices for oil, he explained.

SUSTAINS INJURY

Mrs. Thekla Gatewood, 319 Weaver Ave., Venice, sustained a minor injury here when the auto she was driving was struck by a tractor trailer truck which left the scene. The mishap occurred as she was turning from 18th Street onto Edison Avenue, the motorist told police.

Venice mayor urges better federal spending programs

"You have to start somewhere," Venice Mayor William "Mike" Ebersoldt told the Venice City Council last week as concern was expressed over federal government spending.

The council instructed City Clerk Lloyd Patterson to write the President and members of the House and Senate representing this area, asking them to concentrate their efforts on solving local financial problems such as schools, unemployment and better overall allocation of federal monies.

"The President blames the Congress, the Congress blames the President, and everyone blames the Federal Reserve Board. If our leaders in Washington don't start taking a practical approach to problems of the small cities, we are bound to have not a recession but a depression," Mayor Ebersoldt said.

"Schools need help with their tax bases. Millions are poured into schools, but most of it is in

GRANITE CITY PRESS-RECORD
Mon., Dec. 2, 1974 Page 12

special programs and goes to administration, more staff and not to help the real problem."

"People on fixed incomes and low-paying jobs can't continue to have more and more taxes put on them. A school tax may only cost a person \$20 a year, but a little more added here and there begins to nibble away and soon consumes a major portion of their income, leaving the poor people in worse shape," Ebersoldt added.

"It's time our leaders quit worrying about sending wheat to Russia and steel to Japan and start worrying about really helping the people of this country," the mayor emphasized.

"We have got to start somewhere, and perhaps we can start a trend that will become big enough for Washington to pay it some attention," Ebersoldt concluded.

The council passed a

resolution expressing regret over the death of Alderman Louis D. Ratliff. Alderman Ratliff was praised for always conducting himself in the best interest of the city and all its residents.

The resolution was approved to serve as a memorial to Alderman Ratliff, and his dedication and service to the city of Venice.

Mayor Ebersoldt appointed a city recreation committee consisting of Alderman Thomas

Vogel as chairman, and Aldermen John Ervin and Tyrone Echols as members. The committee will work with the Venice Park District and Larry Boyd, recreation planner and evaluator, to set up a comprehensive year around recreation program.

Thomas Fields, administrative assistant to the mayor reported that the Terminal Railroad Association will send a representative to study the noise problem caused by switching cars. Several residents and school officials have complained.

The council was told that a well point system may be needed in dewatering the subway area of the Broadway

relocation project. The cost could range as high as \$75,000.

The council approved the purchase of a new radar gun costing \$1,200. It is believed that the new device will help police better control traffic.

Alderman Hank Svezia said, "I think we ought to go on record in congratulating the police department on the fine job it is doing. We have had a couple of robberies and the police have been right on the arrest, resulting in quick arrests."

Arrest report for the month of October showed a total of 45 arrests, 12 of which were on felony charges. A check in the amount of \$230 in fines collected by the circuit court also was received, the report said.

Freight tonnage increases

Freight tonnage moving through the Chain of Rocks locks and canal during October totaled 5,173,360 tons, an increase of 545,900 tons over 4,627,460 tons locked through the canal in September, according to a report by the U. S. Army Corps of Engineers.

Freight shipped up river totaled 2,313,930 tons, including 825,100 tons of coal, and shipments moving down river totaled 2,859,430 tons, including 2,263,050 tons of grain. Three hundred tons of government freight were included in the total.

The October shipments brought to 46,660,920 tons the total amount of freight locked through the canal so far this year, compared to 45,168,550 tons during the same period last year.

A total of 6,111 vessels locked through the canal during October, bringing to 58,358 the total number passing through the locks during the ten months of this year, compared to 56,725 vessels moving through the canal during the same period in 1973.

There were 751 lockages during October, compared to

800 during the same month a year ago. They brought to 7,227 the total lockages so far this year, compared to 7,174 lockages for the same period a year ago.

AUTOMOBILE LOOTED

Two tape recorders, two microphones, a case and two tape recordings were stolen from the auto of Michael Baggott, 2650 Edison Ave., parked in the 3400 block of Namedi Road, it was reported last week.

Honors courses for quarter are chosen

The School of Humanities at Southern Illinois University at Edwardsville offers a number of honors courses each quarter for outstanding students who want to extend their knowledge of the humanities beyond regularly covered areas.

Three honors courses will be

Meet on health and recreation

Wanda Graham of Madison Junior High School was one of 2,500 health, physical education and recreation specialists attending the annual three-day convention of the Illinois Association for Health, Physical Education, and Recreation at Chicago in late November.

The meetings of the health related fields focused on the latest methods and teaching techniques with emphasis on individualizing the learning process.

Sessions for physical educators centered around increasing the effectiveness of the teaching of physical education activities and dance at all grade levels and the problems in interscholastic and intramural sports programs faced by men and women. Recreation groups discussed programs for the handicapped directly related to the nationwide program being initiated by the federal government.

offered during the winter quarter. They are: Goethe: His Life and Art, in Literature and the Graphic Arts, and Crime and Detective Fiction.

Goethe: His Life and Art is an intensive biographical study of one of the geniuses of Western Europe whose life and work spanned a period of crisis in western culture.

Satire in Literature and the Graphic Arts is a study of the techniques and subjects of satire as they appear in the "Age of Satire." Literary works to be studied include writings of Butler, Congreve, Dryden, Addison and Steele, Gay, Swift, Pope, Fielding, Sheridan and Burns. Graphic arts will include Hogarth, Rowlandson and Gillray.

Crime and Detective Fiction is a psychological, sociological and literary examination of the mythic types.

All honors courses are seminars. The format includes reading, discussion and research.

Requirements for enrollment in seminars are sophomore standing or above and a four-point cumulative grade average or dean's list status for the last two quarters.

Additional information may be obtained by contacting the English Department at SIUE.

Buckey Gregory found dead

Buckey Gregory, 60, of 2124 Hill St., Eagle Park Acres, was pronounced dead at home at 5:35 p.m. Thursday by Madison County Coroner Edward Werner.

The man who owned the property found Mr. Gregory fully clothed in bed and called the Madison County Sheriff's department.

Gregory had just been released from the hospital after treatment for a heart ailment, according to the authorities, and it is believed he died of natural causes.

He had lived in the area since 1962.

Survivors include his wife, Mrs. Flora Gregory; two sons, Richard and Donald Gregory, both of Chicago; two sisters, Mrs. Alberta Jones of Los Angeles, Calif. and Mrs. Ivory Moore of Detroit, Mich.; two brothers, Felix Gregory of Detroit and Thaddeus Gregory of Wheatley, Ark., and one grandson.

Funeral services will be conducted at noon Wednesday at an East St. Louis funeral home. Burial will be in National Cemetery, Jefferson Barracks, Mo.

Rites Saturday for Mrs. Fitzgerald

Mrs. Maude Fitzgerald, 83, a former Venice resident, died at 5 p.m. Wednesday at St. Peter's Home in Belleville where she resided.

She was born in Roodhouse, Ill. Her husband, Walter G. Fitzgerald, died in 1952.

Survivors include four children, Lyonel Fitzgerald of Wood River, Mrs. Frank (Maude) Foley of Alton, Mrs. Ted (Ruth) Bergschneider of Edwardsville and Mrs. Charles (Mary) Braden of East St. Louis; four grandchildren and four great-grandchildren.

Funeral services were held Saturday at a Worden (Ill.) funeral home. Burial was in Worden Cemetery.

BURGLARY ON PALMER
Items worth \$532 were stolen from the home of Harvey Holt, 2917 Palmer Ave., it was reported at 3:45 p.m. Wednesday. Entry was gained by opening a rear bedroom window. Taken were a camera and projector, a blender a wrist-watch and a radio.

EAST MADISON THEFT
A stereo, two speakers and several tape recordings were stolen from the home of Paul Wells, 619 Stanton Ave., East Madison, it was reported last week. A door was pried open to gain entry.

Mrs. Lena Grobelnik dies

Mrs. Lena (Weis) Grobelnik, 80, of 204 Starnes Bldg., East St. Louis, was pronounced dead on arrival Saturday afternoon at Belleville Memorial Hospital. She had been ill for two years.

An inquiry will be held.

A 70-year resident of East St. Louis, Mrs. Grobelnik was born at Marissa, Ill., and lived here in 1959 and 1960. She was a member of St. Henry's Catholic Church in East St. Louis.

She was preceded in death by her husband, Frank Grobelnik, this year. She is survived by a

son, Joseph Grobelnik of Granite City; a daughter, Mary Boninette of Rosemont, Ill.; eight grandchildren and three great-grandchildren.

Funeral arrangements are given in the obituary column.

THE SCHERMER BULLETIN
Well, folks, we just want you to know that it must have been a great Thanksgiving for a lot of people, because our records show new "highs" in all departments.

We have already had four phone calls telling us how good the Aud's Turkey Farm Fresh Turkeys were. So, let's remember next year, place your order and really enjoy. We had some last minute requests that we couldn't fill, but we advertised these birds (on order only) so you can't say we didn't warn you — Next year we expect to do an even bigger job on these.

Today's ad carries another Freezer Beef Sale. We thought we were through, but the market weekend for the Thanksgiving Holiday so here we are with the same fine quality young tender Beef at even lower prices than before. Order this week as soon as possible. We know the quality is there, the price is RIGHT. The rest is up to you.

Miss Janet Lambert and Robert Scanlon are wed

Large ferns arranged with bouquets of red, pink and white blossoms in brass vases decorated the altar and tall burning tapers in branched candelabra entwined with greenery illuminated the sanctuary of St. Elizabeth Catholic Church for the wedding on Nov. 15 of Miss Janet Marie Lambert and Robert Joseph Scanlon.

Officiating at the double ring ceremony at 7 o'clock in the evening was the Rt. Rev. Msgr. Lawrence Mattingly.

The bride is a daughter of Mrs. Roberta Lambert, 3724 Nameoki Road, and Donald C. Lambert of Boynton Beach, Fla. Parents of the groom, Mr. and Mrs. Robert F. Scanlon, reside in Normandy, Mo.

For her wedding, the former Miss Lambert selected a gown of ivory sheer organza enhanced with Alencon lace. Lace motifs were appliqued at the neckline, on the bodice and full bishop sleeves and around the hem of the slightly full skirt.

A bonnet of matching lace secured her chapel length mantilla veil of illusion and she carried a cascade bouquet of pink roses and baby breath festooned with maroon velvet ribbons.

Mrs. Jane Ann Freeseimer, a sister of the bride, served as honor attendant. Miss Dorothy Scanlon and Mrs. Mary Scanlon, sisters of the groom, Miss Sandy Kirksey and Miss Debra Warren were bridesmaids.

They wore identical pink knit gowns, formal length, complemented with wine velvet hooded jackets with long sleeves.

Each attendant carried a colonial bouquet of pink and red roses with baby breath and maroon streamers.

Miss Patty Scanlon, also a sister of the groom, was the candlelighter. She chose a gown made in the same style as the bride's. The bride's attendants included the best man was John Weekley and the groomsmen and ushers included Randall and Maurice Lambert, brothers of the bride, Terry and Dennis Scanlon, the groom's brothers, Donald Freeseimer, a brother-in-law of the bride, and Marvin Schaefer.

The mothers of the bridal couple appeared in formal length gowns complemented with silver accessories. They wore corsages of pink roses and baby breath accented with a silver bow.

Guests greeted the newly married couple at a reception given at the Croatian Hall, Madison, immediately following the ceremony.

The groom's parents, Mr. and Mrs. Scanlon, entertained the wedding party at a rehearsal dinner at Charlie's Restaurant.

A 1972 graduate of Granite City High School, the bride graduated this year from Bellevue Area College with an associate degree in business science. She is now employed at a State Farm Insurance Co. office in Granite City.

The groom was graduated in 1969 from McBride High School, St. Louis, and received a bachelor's degree in metallurgical engineering at the University of Missouri, Rolla. He is a member of Pi Kappa Alpha Fraternity and is employed as a metallurgist by Caterpillar Co. in Peoria, Ill.

The newlyweds are residing in Peoria following a wedding trip.

Madison FSA chapter elects

A newly organized chapter of the Future Secretaries Association at Madison High School elected officers at its first official meeting last week at the school.

The 1974-75 officers are: Deborah Bailey, president; Donna Miller, vice-president; Yolanda Washington, recording secretary; Anna Marie Nelson, corresponding secretary; and Jo Ann Malone, treasurer.

Judy Goudy and Ellen Richert were elected to serve as board members at-large.

The Tri-Cities Chapter of the National Secretaries Association, sponsors of the group, registered 38 secretarial students at Madison High at an earlier session. Faculty advisors for the group are Lee Ashby and Mrs. Beverly Innings.

Mrs. Sally Gracey, president of Tri-Cities Chapter, and Mrs. Charlene Vunovic, chairman of the FSA committees, addressed the group at the informational meeting.

Mrs. Vunovic outlined educational programs planned by other chapters and stressed that members make all decisions and run their unit according to their interests and chapter objectives.

Students attending the meeting qualified for FSA membership through high grade levels, particularly in secretarial subjects, and good moral character, Mrs. Vunovic said.

Installation of officers and initiation of members will take place in joint ceremonies on Sunday afternoon. Parents are invited to attend, Mrs. Vunovic said.

The next regular meeting is set for Jan. 15 at 3 p.m. at Madison High School.

Barzoff-Jelf wedding at Sacred Heart Church

The Rev. Daniel Flynn officiated at the 7 o'clock evening wedding of Miss Elizabeth Louise Jelf and Charles Paul Barzoff on Nov. 15 at Sacred Heart Catholic Church.

Nuptial selections played during the ceremony, included "We've Only Just Begun," "Ave Maria" and "The Wedding Song."

Parents of the bride are Mr. and Mrs. Vincent D. Fisher Sr., 119 Wilson Park Lane. The groom is a son of Mr. and Mrs. Steve Barzoff, 3632 Center St.

The former Miss Jelf selected a gown of white chiffon over taffeta, featuring a Chantilly lace bodice made with a high neckline and shepherdess sleeves.

A wide border of lace encircled the long, semi-straight skirt fashioned with a chapel length train.

She wore a Juliet cap of Chantilly lace to hold in place her melody length veil, bordered with matching lace, and she carried a bouquet of white mums and baby breath.

Maid of honor Miss Joellen Frank and the bridesmaids, Mrs. Michael Chosich, a sister of the bride, Mrs. Ted Frazier, Miss Rose Neresian and Miss Dalea Fisher, also a sister, wore identically styled gowns in green, blue, apricot, yellow and orchid.

Their dotted swiss dresses were created with Empire bodices and accented with white Venise lace at the necklines and on the bishop sleeves.

Christy Chosich and Paula Shane, nieces of the bride, served as flower girls. They wore apricot and blue frocks matching the adult attendants' dresses.

Each girl carried a bouquet of mums and baby breath in harmonizing colors.

The groom chose his brother, Michael Chosich, as best man. Michael Chosich, Rich Dubrea and John Chiappa were groomsmen and James Chiappa and Vincent D. Fisher Jr., a brother of the bride, seated the guests.

Stephen Chosich was the ringbearer.

Guests were received by the newly married couple during a reception at the Polish Hall. The rehearsal dinner was served at Petri's Restaurant.

Both Mr. and Mrs. Barzoff are graduates of Granite City High School. The bride is employed at Smith Scharf Paper Co. Her husband works at B Auto Parts.

They are residing in Madison.

Pamela Witherow weds Michael A. Paladin

Miss Pamela Sue Witherow, a daughter of Mr. and Mrs. John F. Witherow Jr., 115 W. Third St., Roxana, and Michael Andrew Paladin, son of Mr. and Mrs. Andrew A. Paladin, 4033

Sara St., were united in marriage on Nov. 23 at St. Bernard Catholic Church in Wood River.

Bouquets of fall flowers decorated the altar for the 12:30 p.m. double ring ceremony performed by the Rev. James O'Shea.

Preceding the service, Richard Witherow, a brother of the bride, played several selections on the guitar.

For her wedding, the former Miss Witherow chose a full length white polyester gown designed in an Empire style with long sleeves. Delicate lace inserts accented the bodice and fashioned the high scalloped collar.

She wore a beaded Juliet headpiece to secure a tiered veil and she carried a colonial bouquet of fall flowers.

Mrs. Delores Vignali, a sister of the bride, was matron of honor. Barbara Witherow, a sister-in-law of the bride, and Mrs. Vicki Patterson served as bridesmaids.

They selected royal blue knit dresses in a princess design, featuring V-necklines, long sleeves and slightly full long skirts with a self belt.

The junior bridesmaid, Miss Gail Planitz, the groom's cousin, wore a similar style frock. White lace and blue velvet trimmed the high rise waist and round neckline.

Each girl held a bouquet of fall colored blossoms.

John Zaksewski served as best man. The groomsmen were James Walters and Gary Todd.

Larry Patterson and Michael Lewis seated the guests.

A reception was held at the VFW Post in Wood River immediately following the ceremony.

Mr. and Mrs. Planitz, parents of the groom, hosted a rehearsal dinner in their home.

The bride is a graduate of Roxana High School and Southern Illinois University at Edwardsville. She is employed as producer-director for WSSR (FM) Radio in Springfield, Ill.

A 1968 graduate of Granite City High School, the groom also graduated from SIUE and is a member of Sigma Phi Epsilon Fraternity. He works at WTAX Radio in Springfield. They are now residing in Springfield.

Right to Life elects officers

The local chapter of Right to Life met last week in the library at St. Elizabeth Hospital to elect officers and appoint committee chairmen for the coming year.

Those elected were: Mrs. Debbie Jacobs, president; Mrs. Fern Boker, treasurer; and Mrs. Sharon Loftus, secretary.

Chairmen named include Charles Barth, membership; Tom Boker, bylaws revision; Mrs. McGary, finance-ways and means; and picking; Mrs. Boker, budget; Mrs. Loftus, publicity; and Mrs. Helen DeLuntz, education.

A discussion was held on a petition being circulated by club members who are seeking 10,000 signatures. The petition requests the City Council of Granite City to adopt a resolution opposing abortion with the information to be forwarded to state and national legislators.

Members also made plans to provide a gift to the first baby born in 1975 at the local hospital. The newly elected president said all meetings are open to the public. Interested persons are invited to attend the next session at 7:30 p.m. Jan. 27 in the hospital library.

Boker closed the meeting with prayer.

Nameoki extends pickup program

BURGLARY ON BUXTON

A rear window screen was pried off and the window broken to gain entry to the home of Burt Herbert, 2714 Buxton Ave., it was reported last week. It was known if anything was stolen. Three tape recordings were found in the rear yard.

The Nameoki Town Board of Auditors has voted to extend the township's environmental cleanup program as long as weather permits.

The program was to have ended Saturday, but the popularity of the program was cited as the main reason for continuing the program, in which township trucks and workers, on a regular schedule, pick up tree limbs and trash too large for regular trash haulers to take.

"Residents have been making full use of the service recently,

including the tree limb pickups, which have been flourishing with everyone trimming their trees for winter," Louis Whitsell, township supervisor, stated.

Seven new workers, employed under the county's emergency manpower development grant, started today assisting in the cleanup program.

After weather forces a halt to the pickup program, the men will be used for snow control and other miscellaneous programs in the township, Whitsell said.

In other business the board decided not to advertise for new bids for health insurance for township employees. Auditor Norman Hehler reported he has researched other programs and has found the township's present rate with Prudential Life Insurance Co. is comparable with other available policies.

Whitsell reported the township has begun clearing out underbrush and dumped junk in the Dobrey Slough area and he hoped the area would be clean enough in the near future to be considered for a channel to direct more water into the new Dobrey Slough pump station. Mrs. Helen Hawkins, un-

successful opponent against Whitsell for the District 26 Madison County Board seat last month, presented the board with a petition bearing about 15 signatures opposing a new county plan to charge taxing bodies a service fee for tax collection work.

Whitsell said the township should receive credit for having a township tax collector and should be charged only for the work the county actually has to do.

He said he felt the county's new service fee will be challenged in court and added, "I would like to get this settled in court before tax collection time."

Whitsell voted in favor of the collection service fee when it was presented to the Madison County Board Nov. 20.

The board was informed by letter that the Madison County Sanitation and Pollution Department, located at 405 Center St., Edwardsville, has been certified by the state to analyze water.

Metropolitan areas with populations exceeding 6,000 residents may have the laboratory analyze 15 or more water samples per month at \$5 per test. Citizens may have cisterns or wells tested on their

own property free of charge. Residents requesting water tests may call the county Environmental Control Department 1-892-4564, the letter informed the board.

Tax relief for aged, disabled forecast by Sen. Vadalabene

Sales tax relief is on the way to low and medium income elderly and disabled Illinois citizens, State Sen. Sam M. Vadalabene has commented to

the Press-Record.

"House Bill 2715 allows grants reflecting sales taxes paid on clothing, home heating fuel, food and medicine to senior citizens and the handicapped earning \$10,000 or less a year," Vadalabene said.

"With strong Democratic support, it has now passed the Senate, after the House concurs with a few minor changes, I'm sure Governor Walker will immediately sign this needed relief into law."

"This program will work in conjunction with the so-called 'circuit breaker' property tax relief," the local senator added.

"It had the strong support of Lt. Gov. Neil Hartigan and at

least 16 organizations

representing the interests of the elderly and the handicapped. "Up to nearly a half-million persons stand to benefit from this plan," Vadalabene continued. "The average grant is estimated at \$70 to \$80 per year."

This is not a giant step, particularly considering the terrible pressures of inflation on persons of fixed incomes like older and disabled people. But at least it is a step in the right direction.

"If all eligible citizens apply, disabled and senior citizens in this state will receive approximately \$38 million in needed tax relief."

Sign new minimum pay law for county officials

Gov. Dan Walker on Wednesday signed Senate Bill 1240, which increases the minimum amounts that counties can pay sheriffs, coroners, county treasurers, county clerks, circuit court clerks, recorders and auditors.

No state funds are involved in the minimum salary changes; the officials' salaries are paid by the counties.

Maximum salaries are not affected by the new law.

The bill, sponsored by Sen. Harber H. Hall (R, Bloomington), changes the minimum salaries for the first time since 1969. It takes effect immediately.

The new salary schedule, by class of county, is as follows (with the old minimum in parentheses): County population under 14,000, minimum salary \$12,000 (was \$8,500); maximum pay \$15,500 (unchanged).

14,000-29,999 population, \$12,000 (\$8,000) and \$16,500 (\$10,000); 30,000-59,999, \$14,000 (\$10,000) and \$17,700 (\$10,000); 60,000-99,999, \$15,000 (\$11,000) and \$21,000 (\$10,000); 100,000-199,999, \$16,500 (\$12,500) and \$23,000; 200,000-299,999, including Madison County, \$18,000 (\$14,000) and \$25,000 (\$20,000); 300,000-999,999, \$20,000 (\$16,000) and \$27,000.

Two charged in check passing case

Two men were held in the Granite City jail today awaiting arraignment on a total of 13 charges in connection with the passing of checks on a closed bank account Nov. 16.

Daniel E. Bugg, 20, East Alton, was arrested Thursday and five old warrants and two new ones, all charging deceptive practices, were served on him, authorities said. He also was charged with conspiracy.

William T. Richmond, 27, of 2601a Madison Ave., was arrested at his home Friday and charged with three counts of deceptive practices and two counts of conspiracy.

The two men are believed by police to have been friends of a Granite City woman who allegedly cashed checks for several thousand dollars worth of merchandise and cash on several different occasions, the latest being Nov. 16. She is believed to be a patient at a hospital in Atlanta, Ga., at this time.

The conspiracy charge against Bugg alleges he assisted the woman in purchasing a color television with a fraudulent check at Townsend TV, 6 American Village Shopping Center.

Richmond is charged with having assisted the woman in purchasing items from Graham's Business Products, Delmar and Niedringhaus avenues, and Aqueduct, 1223 Nineteenth St.

The checks used were from a closed bank account at the bank of Alton and had a Granite City woman's name and an address in the 2200 block of Edna Street imprinted on them, officers reported.

The woman is being sought for questioning in connection with numerous bad checks, including one for \$86 at Schermer Men's and Boys' Shop at Crossroads Plaza Shopping Center and \$75 at the Schermer store at 1910 Delmar Ave., Lord Nelson's on Pontoon Road, 533 at the Western Auto Store, 2001 Grand Ave., and \$27 at Hill Brothers' Shoes, 3020 Madison Ave., all on Nov. 16.

Arrest four

Four St. Louis men face theft charges after their auto was stopped by Venice police at 3 a.m. yesterday.

Officials of Curt's Grill, 1621 Madison Ave., said four men left without paying their \$4.94 bill and drove toward Madison. The auto eluded Madison police and was stopped in Venice.

Arrested were the owner of the car, Michael Schandier, 28, Harold Kozlowski, 22, Clarence Howard Jr., 20, and Timothy G. Swearingin, 21, all of St. Louis.

Mrs. Julia Stein succumbs

Mrs. Julia (Getovay) Stein, 73, of 1640 Maple St., died at 1:15 a.m. Sunday at St. Elizabeth Hospital.

Born in Hungary, she lived here 55 years and was a member of the Ladies Aid Society at Holy Trinity Bulgarian Eastern Orthodox Church, where she was a member.

Mrs. Stein was preceded in death in August 1956 by her husband, James Stein. She is survived by two daughters, Julia Hollo of Granite City, and Mrs. Oline (Zora) Gibson of Washington, Ill.; a sister, Mrs. Agnes Ignatz of Granite City; and three grandchildren.

Funeral arrangements are given in the obituary column.

MRS. JULIA STEIN

Mrs. Ella Lessman dies

Mrs. Ella Lessman, 83, of Rural Route Two, Granite City (Mitchell area), died at 8:38 p.m. Sunday at St. Elizabeth Hospital where she had been a patient one month.

She was born in Shawneetown, Ill., and resided here since 1911. Mrs. Lessman was a member of the First United Presbyterian Church and belonged to the Royal Neighbors.

Her husband, Elmer Lessman, died in 1957.

She is survived by her son, Gordon "Piccolo Pete" South of Mitchell; two sisters, Mrs. C. E. (Doris) Carlton of Sunny Vale, Calif. and Mrs. Vern (Ruby) Sappington of Granite City; four grandchildren and three great-grandchildren.

Funeral arrangements are given in the obituary column.

Dress-A-Doll entries displayed

More than 120 entries in the 7th annual "Dress-A-Doll" contest sponsored by the Granite City Trust & Savings Bank are on display in the bank lobby.

Participants have dressed dolls in a variety of costumes. The include bride dolls, dolls in the native dress of many countries, dolls dressed to resemble stars from the movies and television, dolls from fiction and history, and others.

Awards will be made in each classification and a grand prize award also will be made.

Dress-A-Doll is a program which with the cooperation of the public and Granite City Trust, brings dolls to needy children at Christmas time. Granite City Trust provides the dolls without cost, and the participants design and sew outfits for them.

When the display ends on Dec. 13, the dolls will be turned over to charitable agencies for distribution to the children.

House entered

One boy was captured and another escaped after they walked into the home of Leon Kopsky, 1350 Twenty-seventh St., at 2:20 p.m. Wednesday.

A maid said she heard the rear door open and called out the name of one of the Scroggins' children. A dog began barking and she saw two boys fleeing from the home.

Police arrested one boy in a next door yard, but the other could not be located. Juvenile authorities talked to the boy but released him without charges.

Fire causes \$6,000 damage

Faulty electrical wiring resulted in a fire which caused about \$6,000 damage to the home of Olie Phillips, 2442 Adams St., at 10:20 p.m. Wednesday.

Damage included \$4,000 to the building and about \$2,000 to the contents. Firemen were on the scene one hour and 15 minutes.

One of the fire trucks had to leave that blaze before it was extinguished to answer a call at 10:45 p.m. Wednesday to a fire in a garage at 2100 Bryan Ave.

Burning trash was believed to have blown under the garage, causing the fire. It required one hour and 45 minutes to extinguish.

At 12:20 a.m. Thursday, firemen were called to the home of Max Schaeffer, 2309 Wilson Ave., where a cigarette was believed to have set a mattress on fire. Damage was estimated at \$100. It was extinguished in 15 minutes.

At 12:30 a.m. Thursday, firemen were called to an overheated blower motor on the furnace at the home of Glenda Vinton, 2968 Iowa St., which caused about \$40 damage.

At 12:10 a.m. Friday, a Yellow Cab Co. taxicab, driven by Don Dayton, began to burn from a short in the electrical wiring. The fire caused about \$200 damage to the car which was in the 1700 block of Olive Street. Firemen were on the scene 20 minutes.

Cash register looted by man

A man escaped with an undetermined amount of money from a cash register at 8:43 p.m. Friday at the Parkside Thrift Shop, 3202 Maryville Road.

A clerk was assisting a customer in another part of the store and saw the theft occur through a security mirror. Another store employee, Mike E. Carter, chased the thief but lost him near an apartment area.

Thieves loot 3 auto trunks

Three auto break-ins occurred Saturday, each involving trunk locks being broken and items removed.

Bill Britton, 2728 Denver St., reported a spare time assembly valued at \$90 and a tablecloth valued at \$20. Twenty-five dollars were removed from his auto while it was parked in the 3000 block of Washington Ave.

Sue J. Johnson, 2556 Edison Ave., reported a steel-belted radial tire was stolen from her car parked at her home, 2305 Cleveland Blvd.

Edison Ave., reported a steel-belted radial tire and a special wheel were removed from the car while it was parked at his home.

Suit filed against ADM

Wesley Lesis has filed suit in Madison County Circuit Court seeking \$25,000 from the Archer Daniels Midland Processing Co., 3601 Carhill Road.

Lewis alleges that on Aug. 5, while working as a millwright, one of his legs came in contact with a stack of gear drivers and that the movement of an auger caused him to fall backwards and be injured.

Driver is hurt

Thomas Margason, 30, of 2421 Hodges Ave., was injured when his car and the auto of Thomas Allen, 1932 Joy Ave., collided at Numeke Road and St. Clair Avenue at 6:30 p.m. Wednesday.

Margason was taken by ambulance to St. Elizabeth Hospital where he was admitted with abrasions and contusions to his head and forehead and abrasions to his left elbow.

Margason was charged with failure to reduce speed to avoid an accident and driving while under the influence of alcohol.

Mon., Dec. 2, 1974 Page 17

Miss GC

(Continued from page 1)

Presley, daughter of Mrs. Marjorie Carter, Rural Route Two, Box 828, and Boyd Presley of Granite City.

Miss Ginger Kay McClain, daughter of Mr. and Mrs. Wilbur McClain, 2455 Cleveland Blvd., was selected by her fellow candidates as winner of the "Miss Congeniality" award.

Miss Asadorian received the Miss Granite City crown from Mrs. Janice (Albers) Carmody, who was conferred the title in 1970, the last year the contest was sponsored here. The beauty-talent pageant was renewed this year by the Granite City Jaycees.

She was presented a \$250 scholarship and trophy by Owen Ross, pageant chairman, and a bouquet of red roses by Granite City Mayor Paul Schuler.

The new Miss Granite City was the 1974 Miss Queen at Granite City High School South from where she was graduated this year. She was active in the school's Madrigal Chorus and Modern Music Majors and also sang in an eight-voice ensemble which won first place honors at the Illinois High School Association's State Music Contest.

She was chosen for the lead role of Lady Guinevere in the Homecoming play, "Camelot," and portrayed Linda Kingsley in the Senior Class play, "The Impossible Years." She also performed in the Masquer's production of "Fiddler on the Roof," playing the role of Hodel.

Throughout her high school career, Miss Asadorian maintained a four-point academic average. She is five feet, five inches tall, weighs 120 pounds and her measurements are 34-24-35.

Her first public appearance as Miss Granite City will occur in mid-December when she will accompany a group of underprivileged children on an annual shopping trip sponsored by the GC Jaycees.

Ross said today. Miss Asadorian also has been invited to take part in local pageants to be staged in late winter and early spring in several communities, the Jaycee officer said.

Serving as judges at Friday night's contest were Mr. and Mrs. Peter Patrick of St. Louis, officials in the Miss Missouri Pageant, Mr. and Mrs. Jerry Nelson and George Kroder, all of Collinsville, who are registered judges for the Miss Illinois Pageant.

Winner of the Miss Illinois crown will represent the state in the Miss America Pageant at Atlantic City, N. J., in September.

Ronald Pennell served as master of ceremonies at the contest here and background music was furnished by Bill Thompson of East St. Louis. Miss Phyllis George and Mrs. Marge Pennell assisted the contestants in their preparations backstage, Ross said.

As first runner-up, Miss Koliste, who performed on the organ, received a \$150 scholarship.

Miss Boyd, who sang and danced to Helen Reddy's "Last Blues Song," and Miss Presley, who presented a flaming baton twirling routine, each received a \$100 award.

About 400 persons witnessed the beauty-talent contest.

Maryville Road extension urgent and an access route to aid Nameoki Road ought to be opened 'yesterday'

Extension of Maryville Road from Pontoon Road to Route 162 (the East 23rd Street extension)—and construction of a new road from the vicinity of Downtown to the Nameoki Road shopping centers area—are undertakings of immense importance to this community, government officials and citizens agree.

Judging by discussions that have been held, the urgency of both the roadways is understood by nearly everyone. Traffic convenience and safety are at stake, and also economic activity and considerable amount of potential municipal tax revenue to finance needed services.

Intensified attention is being given to the four-concrete-lane Maryville Road connecting link, especially now that its intersection with reconstructed Route 203 (extended Nameoki Road) has been completed and opened. A completed artery from 203 to 162 would be of in-

stant value to large numbers of motorists.

The effort to relieve worsening Nameoki Road congestion by providing a behind-the-shopping-centers route to 25th or 22nd Street is another heartening development. It is needed immediately, and its absence can only serve to curb retail business volume, pointlessly limiting the city's sales tax base.

If slag could be obtained, perhaps from a local industry, it would be worth considering proceeding with use of the right-of-way paralleling the main railroad route, adjacent to the tracks on their eastern side. Or some other relatively inexpensive surfacing could be carried out, omitting curbs at this time.

There will be ample opportunities to upgrade a next-to-the-tracks road in the future, as more funds become available and as the vehicular usage demonstrates the need for such upgrading.

Alcohol abuse a fast-growing problem for young people

New information on alcoholism and health submitted to Congress shows that many young people are switching their interest from drugs to alcohol. Even among pre-teens—children from nine to 12 years old—alcoholism is becoming more prevalent.

Six out of 10 traffic fatalities among youths have been found to be alcohol-oriented. With current evidence that drinking among seventh-through-12th-graders is more extensive and frequent than ever before, the possibilities for increased traffic deaths and injuries offer a grim portent of things to come.

The National Congress of Parents and Teachers and the National

Institute on Alcohol Abuse and Alcoholism are right in continuing their joint action against the frequency of abusive drinking among pre-teens and adolescents.

Goals of their community-based educational program are to spare countless families the tragedy of alcoholism, to provide opportunities for parents and students to learn about the responsible use and non-use of alcoholic beverages, to increase parental awareness of their impact on the children's drinking behavior and to encourage and help young people to develop and carry on their own information-education programs for peer groups or younger children.

Illinois a key to hope of fighting starvation in world

Illinois has been the leading agricultural export state for many years, and the significance of that fact is growing steadily with the worsening world imbalance between food and starving people.

Latest data from Madison County farm leaders and the University of Illinois Agricultural Extension Service shows that this state continues to rank high in American

agricultural production.

New crop reports show Illinois number one in soybean acreage with 9,230,000 acres and first in total soybean production with 290,745,000 bushels.

Illinois also ranks first in red clover seed production, second in both corn acreage and total corn production, 11th in wheat acreage and 12th in total wheat production.

3 indicted

A Madison County grand jury has returned indictments against three men in cases with Quad-City area connections. Gary Kennerly, 19, of 2508 Sheridan Ave., was indicted on a burglary charge in connection with the entry of Onk's Drive-In Liquors, 2600 Madison Ave., Sept. 16. He allegedly was found hiding inside. Kennerly was released after posting \$500 bond.

Arthur Jones, 24, St. Louis, was named in a true bill charging robbery at Leu's IGA Foodliner in Edwardsville Oct. 2. Madison County Sheriff's Department deputies stopped his car on Interstate 270 at the Chain of Rocks Canal within 15 minutes of the robbery and arrested him here. He was released after posting \$1,500 bond.

Alvin Wayne Moore, 34, Bridgeton, Mo., was indicted on a charge of violating his bail bond terms and a warrant issued for his arrest. He was free on bond on an armed robbery charge stemming from the May 1970 robbery of the former Maryland Bi-Rite Super Market, 2205 Pontoon Road.

An estimated \$86 in coins were stolen from the front seat of a pickup truck belonging to Bill Woodome, 1301 Klein Ave., St. Louis, Friday while he was in a restaurant at 1118 Madison Ave. ordering food. A green deposit bag containing rolls of dimes and nickels was taken.

House burglarized

Items worth more than \$500 were stolen from the home of Walter Mothershead, 481 Highway 162, it was reported at 8:55 p.m. Saturday.

Taken were jewelry, two radios, two speakers, a clock radio, a hunting knife, a portable television, liquor and tape recordings.

A rock was thrown through a window and the window was opened by reaching through the hole and unlocking it, authorities believe.

LOOT SHOPS

Ten to 12 pairs of new shoes, valued at about \$400, were stolen from Buente's Shoe Store, 1841 Delmar Ave., it was reported at 8:30 a.m. Thursday. A large piece of concrete was thrown through the store's front plate glass window and damaged a display case inside.

WAREHOUSE DOOR OPEN

A police, responding to an alarm at Townsend Road warehouse, 2712 Nameoki Road, at 10:35 p.m. yesterday discovered the front door standing open. It had been broken and forced open. Authorities did not know if anything had been stolen.

BREAK SCHOOL WINDOWS

Four large windows on the south side of Parkview School were broken by snowballs. It was reported at 4:25 p.m. Saturday. Entry was gained by removing a piece of wood from a rear door.

New input on how to traumatize the language situation

By DON FREEMAN

Speaking here as a man who makes his living with the language, I am grateful to Edwin Newman, NBC's resident urban wit among the newsmen, for his latest book, now on the shelves and worthy of your attention. It's called "Speaking," with a subtitle of "Will America Be the Death of English?"

The question is answered with a baldly sarcastic yes. Newman is referring at least partly to his own profession of broadcasting as one of the villains. He's right, of course.

Newman writes with proper annoyance about TV sports announcers who describe the fourth down and very long yardage as "a punting situation." Not long after seeing those lines in the book, I heard a TV weather man say that "weekend-wise, we'd be in a pleasant weather situation."

We pump air into the language and make it soft and gaseous," Newman contends. Or, conversely, the language is made tougher but more jarring to the ear by borrowings from inappropriate figures of speech.

"Language is in decline," says Mr. Newman. "Not only has eloquence departed, but simple direct speech is well, though pompous and banality have not."

Eloquently, and spoofing with the pomposity and banality of the television interview with would-be best-selling authors, Newman summed up the morning on the Today Show, which is home network turf, and proceeded to interview himself. Here are a few excerpts that I should like to pass along, with Newman both asking and answering the questions as follows:

Q. "Now, Mr. Newman, the thesis of your book, as I understand it, is that we would be better off, and the country would be better off, if we spoke and wrote better English. That is the thrust of your book."

A. "I don't want to seem unfriendly, but that use of 'thrust' is exactly one of the things I object to. It's an essay, it's tired. As a matter of fact, I call in the book for an Anti-Thrust language. It is often tedious. Here is Rep. Hugh Carey of New York saying, 'I am considering offering my capacity for state-wide leadership.' Do you

know what that means? 'I am thinking of running for governor.' Then there's 'viable.' There's an adorable word in Washington, 'viable opinion.' Leave out 'viable,' it makes no difference. Or you hear that there is a need for 'viable' solutions. Solutions used to be thought sufficient. People were happy to have them."

Q. "What other kinds of language do you write about?" A. "There is a chapter on sports, quite hilarious, in my opinion, and particularly timely now that the football season is on, which means that 'pretty good' is with us wholesale."

Q. "Pretty good?" A. "Exactly, as in 'He hits him pretty good' and 'We stopped them pretty good' and 'I moves pretty good for a big guy.'"

"I think that in business and the social sciences that English language is being destroyed faster than it is anywhere else. In the social sciences, much activity is devoted to taking clear ideas and making them opaque. To know oneself is to have a 'self-awareness factor.' Thinking is 'conceptualization.' Patterns are 'configurations.' People do not speak but 'articulate' or 'verbalize.' Nor are people injured—they are 'traumatized.'"

"It's easy, really. If you want to say that children of the same parents don't like each other, you say 'Siblings are conflicted in their interpersonal relationship.' If a husband like to pass along, with Newman both asking and answering the questions as follows:

Q. "Now, Mr. Newman, the thesis of your book, as I understand it, is that we would be better off, and the country would be better off, if we spoke and wrote better English. That is the thrust of your book."

A. "I don't want to seem unfriendly, but that use of 'thrust' is exactly one of the things I object to. It's an essay, it's tired. As a matter of fact, I call in the book for an Anti-Thrust language. It is often tedious. Here is Rep. Hugh Carey of New York saying, 'I am considering offering my capacity for state-wide leadership.' Do you

The FORUM Most stray dogs being destroyed—too many to care for are being born

To the Editor:

I would like to respond to the letter in the Nov. 4 Forum about humane treatment of dogs at the Vets' Found.

I do not condone inhumane treatment of any animal, either in private homes or animal shelters. But can all the blame be put on the city pounds?

Most cities in this area, and in the rest of the United States, have leash laws; but a larger percentage of the people ignore this law than obey it.

I just wonder if the lost dog in her letter had a rabies shot, city license and Madison County registration.

There are about 2,000 to 3,000 puppies born each hour, so just imagine how many kittens are born each hour.

All of these poor dumb animals are born, and most of them "put to sleep," because people don't care enough to keep their pets at home where they belong.

The next time you turn your dog out to decide to have a litter of puppies or kittens, take a ride over to the Humane Society of Missouri and ask them to let you watch them destroy hundreds of dogs, cats, puppies and kittens.

Then go home and let your dog or cat have their little families.

Just because you find homes for these litters, don't just wipe them out of your mind. If one dog or another, half of them will never see their first birthday.

I know readers are thinking

that I hate animals. Well, you're wrong.

I have three dogs. They have all their shots and licenses, plus they receive heart-worm preventive daily.

My female is spayed, and these dogs never leave their yard unless they are on a leash. Sometimes take a ride through Venice. There are dozens of dogs running loose.

It seems that if the people are so worried about inhumane care of their animals, they would keep them at home.

Also, if the people in the Quad-Cities would buy the licenses that are required by law, better shelters and more help could be obtained to take care of lost animals.

Aldermen did not hear full letter

To the Editor:

Last week I wrote calling your attention to the lack of a specific ordinance, prohibiting or regulating the keeping, and raising, of livestock or farm animals in the city limits. This letter was published in The Forum column.

At the same time, I wrote a similar letter to the City Council, going into more detail on how this lack of an ordinance created a problem for the people. I would like to report to you and my fellow citizens the results of that letter.

The first order of business was the city clerk's reading of about six letters addressed to the council.

Five of these letters were read in their entirety. Only my letter wasn't afforded the same treatment.

Hardly had the clerk finished reading the first paragraph, which revealed the nature of my

letter, when he was interrupted by one of the aldermen, jumping in and addressing the council.

This alderman, in words to that effect, said that "we have been bothered by these complaining letters before, but have some elderly couples in my ward who keep a few chickens."

I said he never had any complaints against them. Therefore, he couldn't see any reason for the council to consider this matter, and asked that my letter be turned over to the city attorney, which the council did.

I was in the audience when this happened, and must say that I was shocked and surprised by the council's action.

Since I felt I had brought before the council a problem that exists in our city, caused by the lack of such an ordinance, at least the council could have extended the simple courtesy of

listening to my letter.

Had they done so, I feel a different light would have been shed upon this problem, and perhaps our City Council would have taken a more serious look into the matter.

Realizing that most people are not concerned about such a problem, unless it happens to them personally, I would again call upon my fellow citizens to contact their aldermen, expressing their views.

Further, I suggest a pool of readers to find out the feelings of the people of our community in this regard.

Perhaps we can direct the council's attention to the fact that such problems do exist, and they might reconsider the enacting of such an ordinance—correcting problems stemming from the keeping of livestock in the city limits.

Against buses for after-school events

To the Editor:

I think that it is about time someone spoke up about the proposed buses for children and after-school activities.

Hardly, have no children in junior high school but I have been a taxpayer for many years and think it is about time someone spoke up to conserve

some of that tax money.

It has not been too many years since I have attended high school and junior high school, and as I recall, anytime I had after-school activities, my parents saw to it that I had a way home. Why can't all parents see to it?

My sympathies are extended to the family which was struck

by tragedy but I say that after-school activities are not mandatory, and that it is the responsibility of the parents to see to it that their children get home safely.

The tax money that would be saved could be used for something more beneficial.

Friend to New Haven neighborhood

To the Editor:

As residents of the immediate neighborhood of Helen Hay Whitney, where people really do keep track of each other, we would like to say how thankful we are to have her as a friend.

When the going was the roughest and the residents were the weakest—some from disgust, some from disappointment—there was always one resident

of New Haven Manor who never gave up.

Helen always told us we must keep trying, and even when we did quit, Helen went the battle alone.

A lot of the residents were given public recognition for their efforts here when actually their efforts would not have been a reality if Helen had not been in the background encouraging us.

Drainage and flood insurance

are only part of the problems she has helped her neighborhood with.

The records show she has always reached out to anyone who needed help in the township. She is a friend indeed.

COOL YULE DANCE, a skit to be included in the Fall Follies Revue by the Oral Communications classes of Granite City High School North, is rehearsed in preparation for the Friday program. Dancing, from left, are Burke Campbell, Dawn Larsen, Kelly Stone and Chris Hendrix. Standing in background, Don Filkins, Dave Gaudette, Colleen Gray and Cindy Boyd. The revue will be presented at 8 p.m. in the South auditorium.

North high follies revue

Approximately 350 sophomore and junior students in 13 Oral Communications classes will present 13 original skits in the "Fall Follies Revue" to be presented by Granite City High School North in the South auditorium Friday night. Curtain time will be 8 p.m.

The skits will be based upon the theme of comic characters from comic strips, movies, radio and television. Teachers of the Oral Communication classes this fall are Dr. Goni Michaeloff, F. Gordon Mueller, Miss Deane Hillen and Mrs. Sue Wroblek. Dr. Michaeloff is supervising director of the revue.

Follies revue programs are presented once each semester by the Oral Communication classes as a three-week unit in drama to initiate the student to all aspects of the theatre and includes script writing, acting, scenery construction, costumes, makeup, sound, lighting, and theatre management. Don Atkinson will record sound to be used throughout the program.

Quad-Cityans state scholars
 In the 1975-76 state scholar program, 19 seniors from Assumption High School have been selected from approximately 15,200 students as Illinois state scholars.

Each state scholar has received a certificate of merit and statewide recognition as a prospective college student who has demonstrated high academic potential. The state scholars and the cities in which they reside include: Victor Barnhart, Madison; Robert Dixon, Venice; and James Hall, Granite City.

The Illinois State Scholarship Commission has determined the scholars on the basis of students' scores on the American College Test and their high school rank-in-class at the end of six semesters.

State scholars who wish to be considered for financial assistance must submit an application to the monetary award program. Grants of up to \$1,350 are available for use toward tuition and fees at approved public or private institutions in the state.

ARRESTED AT PRATHER
 Danny Smith, 25, of 2912 Myrtle Ave., was charged with burglary Saturday after police, responding at 9:25 p.m. to an alarm at Prather Junior High School, allegedly found him in the kitchen of the school at 2300 West 25th St. A window was broken on the north side of the building, officers said.

Bounty despite troubles—Price

Cong. Melvin Price noted on Thanksgiving Day 1974 that it was a day truly significant to the nation.

"This year has been one of serious troubles for the American people in all ways," Cong. Price said.

"Politically, economically and socially, we have faced problems which have caused deep concern and indeed shaken the belief of some in our very system."

"But on this day we should pause and consider where America has come from and where our nation is going. We should reflect on the spirit of family sharing and giving — the same spirit which made our country strong, and which will continue to make us grow."

"Finally, we should give thanks for the bounty we have around us and — in a spirit of hope — continue to work to overcome the difficulties we now face."

Grand opening of floral shop

Prizes and free flowers will be given visitors who attend the grand opening observance at the Floral Original Shop, 1414 Twenty-first St., this week, according to the owners Ron Kelch and Ed Kirby.

During the week a 10 per cent discount will be given on all orders. The shop, which opened in November, features special gifts for the holidays as well as other occasions, and will be open from 8:30 a.m. to 5 p.m. Monday through Saturday, the partners reported.

Red Barn closed

The Hollis Drive-in at 3030 Madison Ave., operated as the Red Barn by Glen and Paul Hollis, was closed last week. The drive-in had operated as a restaurant for the past ten years.

The building will be remodeled and will become the site of a Miles Tune-up Center, a unit of a nationwide chain. It will be operated by Glen Hollis. Hollis said he expects to complete conversion of the present restaurant building in time to open the tune-up center in early January.

Dinner honors past regents

A past regents dinner honoring 14 former regents was held at Moose Lodge prior to the regular business meeting of the Women of the Moose, Chapter 297, last week.

Past regents given special recognition were Mesdames Iris Chastain, Dorothy Coy, Alice Bohnerstiel, Margaret Fronbarger, Margaret Houseman, Rose Halbert, Gladys Markovich, Marian Lipscomb, Helen Oberlain, Edith Rodgers, Edna Miller, John Teller, Virginia Severs, Verlie Vollmer and Mildred Votupal.

Mrs. DeArle Smart, who recently moved to Florida, was a guest.

Senior Regent Nancy Hamilton opened the meeting and read a card of thanks from Mrs. Jan Kohl, president of the Gardenaires Garden Club.

Donations were approved to the Madison County Mental Health Association; Specialized Services; Salvation Army "Tree of Lights" campaign; and Christmas Seals for the TB Association.

Forty-seven members were served cake and coffee in observance of the birthday of Mesdames Karen Anders, Margaret Jones, Marian Lipscomb, Gladys Markovich and Alice Skaggs.

Prizes for the evening went to Edna Miller, Irene Kozma and Edna Beardsly.

Mrs. Hamilton conducted the business session and announced a planning meeting will be held on Wednesday at 7:30 p.m.

A Christmas party and gift exchange for chapter members was scheduled for Wednesday, Dec. 11. A session also was arranged on Dec. 14 to prepare Yule stockings for distribution at a children's party on Dec. 15.

VERSATILE HANDBAGS

Double handles to carry over the shoulder or by hand! Lots of room; zippered compartments! Supple vinyl in best colors!

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

1. 在 \$x\$ 轴上取点 \$A_1, A_2, \dots, A_n\$, 使得
 $|OA_1| = |A_1A_2| = \dots = |A_{n-1}A_n|$
 2. 过 \$A_1, A_2, \dots, A_n\$ 作 \$x\$ 轴的垂线, 分别交椭圆于 \$B_1, B_2, \dots, B_n\$
 3. 连接 \$OB_1, OB_2, \dots, OB_n\$, 则 \$\angle BOA_1, \angle BOA_2, \dots, \angle BOA_n\$ 是等差数列
 4. 设 \$P\$ 为椭圆上任一点, 过 \$P\$ 作 \$x\$ 轴的垂线, 交 \$x\$ 轴于 \$Q\$, 交椭圆于 \$R\$
